SUBJECT: Bingo at the Racetrack at Hastings Park

On October 3, 2000, you considered my report on the PRA Operating Agreement ('Revised Arrangements for the Pacific Racing Association for the Racetrack at Hastings Park'), and deferred it for several weeks to provide for better public input. Since then I have received the attached letter from Mr. Phil Heard, the General Manager of the PRA, withdrawing his request that 'bingo hall' be a permissible use in the Operating Agreement.

Accordingly, in addition to Recommendation 'A' in the report, I further RECOMMEND:

- B. THAT 'bingo hall' not be a permissible use in the Operating Agreement for the Pacific Racing Association for the Racetrack at Hastings Park.

Thank you.

Larry Beasley
