10/12/2021	10:48	PH3 - 3. CD-1 Rezoning: 4575 Granville Street	Support	Mayor and Council, I'm in full support of this project coming back for consideration. So glad to see that the developer didn't build more of the same ' a large single family home ' that would offer much less to the area than 24 secured rental homes! I think this project will significantly contribute to the diversity of our neighbourhood and I for one can't wait to welcome new residents in! Our City is growing, and we need to be cautious that we are promoting housing diversity in all communities. This project looks good, has undergone extensive assessment and refinement, and would make a great addition to the area. I hope this application doesn't take up too much of Council (and the public's) time because Vancouver needs rental housing, and this makes sense. 10/12/2021	15:56	PH 3 - 3. CD-1 Rezoning: 4575 Granville Street	Support	I fully support the rezoning application for 4575 Granville Street. Market rental is much needed in our community/city and this is a great location for it to be built.	Stephanie Nelson			Dunbar-Southlands	No web attachments.
10/12/2021	18:09	PH 3 - 3. CD-1 Rezoning: 4575 Granville Street	Support	I am in support of this rezoning. It is badly needed housing especially in an area only filled with mansions unreachable to the average Vancouverite.	Zach Velasco			Victoria-Fraserview	No web attachments.
