CITY MANAGER'S COMMENTS

The City Manager RECOMMENDS approval of the foregoing.

COUNCIL POLICY

Under Section 456(1) of the *Vancouver Charter*, Council may by majority vote grant money to an applicant that has as one of its aims, functions or purposes the planning and implementation of a business promotion scheme. Section 455 defines 'business promotion scheme' as:

- carrying out studies or making reports respecting one or more business areas,
- the improvement, beautification or maintenance of streets, sidewalks or city owned land, buildings or structures in one or more business improvement areas,
- the removal of graffiti from buildings or structures in one or more business improvement areas,
- the conservation of heritage property in one or more business improvement areas, and
- the encouragement of business in one or more business improvement areas.

Section 456(2) of the *Vancouver Charter* requires that all grants to the BIAs be recovered through a special tax levy on Class 5 and 6 commercial properties in the BIA area.

PURPOSE

The purpose of this report is to request Council's approval of the 2010-11 budgets for twenty BIAs, to approve recoverable grants to these BIAs, and to instruct staff to prepare appropriate rating by-laws.

BACKGROUND AND DISCUSSION

Funding for Business Improvement Areas is advanced by Council as a grant and recovered through a special BIA property tax levy. For each of the BIA areas, Council has previously enacted a by-law designating the area and length of term in years, and prescribing the aggregate maximum that can be granted to each BIA during its term. In addition, for each of the BIAs, Council has enacted a grant allocation by-law which authorizes annual recoverable grants by resolution, and prescribes terms and conditions for the grants.

Each year, BIA Boards are required to obtain approval of their forthcoming year's budgets from their members at a general meeting and to submit their budgets to the City for approval by Council. Each BIA budget includes the BIA's requested grant amount for the coming year.

Once Council has approved the BIA budgets /grants, staff prepare rating by-laws for Council's enactment. Each rating by-law authorizes the imposition of a levy on every qualifying property within the BIA area. Funding is released to the BIA societies beginning in April and recovered in July through the property taxes.

The 2010-2011 budgets for twenty BIAs are presented in this report. The remainder of this report is organized by BIA and, for each BIA there are two sections, as follows:

- First, for each BIA, the 2010-11 revenue and expenditure budget is shown, as approved by the BIA membership at their annual general meetings (generally in June and September 2009)
- Secondly, for transparency, a further paragraph provides additional information not normally shown in a budget i.e. a) status and disposition of reserve funds, and b) current information on the disposition of year-end surpluses that may not have been anticipated at last year's June / September AGMs when the BIA's budgets were presented to their membership. (A common practice among BIAs is to hold in reserve the accumulated surpluses from previous years. Reserves provide the ability to fund budget shortfalls, respond to opportunities, and to save for future projects).

DOWNTOWN VANCOUVER BIA BUDGET 2010-2011

The Downtown Vancouver Business Improvement Association (DVBIA) has submitted the following business promotion scheme and budget for Council's approval, and has requested a recoverable grant of \$2,163,941* for 2010-11 (3% increase over 2009-10). Projected Reserve Fund at 2010-11 Year End

Details of the budget are provided in Appendix A. This is the first year of the DVBIA's fourth renewal mandate (ten year term).

Additional Financial Information (estimated per 2009-10 year end)

The DVBIA estimates a reserve fund of \$490,000 at the end of the current (2009-10) fiscal year. By year-end 2010-11, that amount will be reduced to \$400,000 because the DVBIA offsets planned budget shortfalls by drawing on a portion of the reserve as part of an on-going commitment to keep annual budget increases at sustainable levels, and to ensure that programs and services are maintained. (As the actual 2009-10 fiscal year-end shortfall is \$45,262 less than originally budgeted, the draw on reserves is slightly less than anticipated in June 2009).

*Grant for 2009-10 fiscal year was \$250,000. The significant budget decrease for 2010-11 is due to the CVBA's return to historic budget levels of \$100,000 after a one-time budget spike in 2009-10.

The CVBA currently anticipates a fiscal 2009-10 year-end surplus of approximately \$85,000. At its AGM in September 2009, the CVBA had re-purposed its \$150,000 'legal expenses' fund for marketing initiatives; \$85,000 remains unspent. Of the latter amount, \$16,200 will used to restore reserves to \$25,000. The balance (\$68,800) will be applied to seasonal expenditures including the Easter Festival, flower baskets and new banners, as well as capital purchases such as a BIA-branded events tent, shopping bags and other promotional materials.

The SHBA currently anticipates a fiscal 2009-10 year end surplus of about \$25,000, which will be carried forward in the 2010-11 fiscal year. The surplus represents savings due to delays implementing the SHBA's Host Program. The BIA will also bring forward reserves of approximately \$60,000 representing unspent monies from previous fiscal years. The \$25,000 surplus and part of the reserve will be expended in fiscal 2010-11 to implement the first phase of the South Hill Art Plan. Part of the fund will also be used for South Hill 100th anniversary celebrations, and for a proposed square at the South Hill Education Centre.

DUNBAR VILLAGE BIA BUDGET FOR 2010-2011

FINANCIAL IMPLICATIONS

The total requested funding for the BIA societies is \$7,868,112, representing an increase of 0.9% compared to 2009-10 requests. A comparison of the 2009-10 and 2010-11 budgets is provided in Appendix U.

BIA memberships (commercial property owners and business tenants) approve the BIA's budgets by vote at Annual General Meetings. As BIA levies average only 4.5 percent of Class 5 and 6 property owners' total commercial property tax bill, the overall impact on their tax bills is relatively small. However, as some commercial owners might not distinguish between BIA levies and general property taxes, some owners could misconstrue BIA levy increases as being part of a general tax increase. However, to date staff have heard very few concerns as regards BIA budgets and the corresponding BIA tax levies in their areas.

Should Council approve the BIA budgets and staff prepare rating by-laws for Council's enactment, these funds will be advanced by Council to the BIA societies in April and recovered through subsequent property taxes. There is no net impact to the 2010 operating budget.

CONCLUSION

The combined budgets (levy) amount for the 20 BIAs is approximately \$7.9 million for fiscal 2010-11, an increase of less than 1% compared with 2009-10. The average BIA expenditure in Vancouver is high compared with other Canadian jurisdictions, and overall BIA expenditures have been increasing steadily in recent years. This is due in part to the establishment of new BIAs (15 BIAs added since 1999), and in part to expanding BIA programs and projects. For example, in the upcoming fiscal year, the BIAs will collectively expend close to \$1.6 million on public realm enhancements alone in the city's commercial areas. The City's cost is limited to administration of the BIA Program.

Staff generally attend and observe the proceedings at BIA annual general meetings, and were present at all the proceedings referenced in this Report. All the BIAs have complied with the requirements set out in the City's BIA Grant Allocation By-law and the City's BIA Operational Guidelines (Appendices V and W). City staff have reviewed the audited financial statements of all twenty BIAs. The proposed Business Promotion Schemes are in keeping with the spirit of the BIA legislation. Staff recommend approval of all the BIAs' 2010-2011 budgets as submitted.

A By-law to Grant Money for a Business Promotion Scheme in the ______ Business Improvement Area

THE COUNCIL OF THE CITY OF VANCOUVER, in public meeting, enacts as follows:

1. The name of this By-law, for citation, is the "_____ BIA Grant Allocation By-law".

2. In this By-law:

"Director" means the city's Director of Finance;

"grant money" means any money granted to the Association by Council under section 3; and

"Association" means the ______ Association.

3. Subject to the ______ BIA Designation By-Law, the terms and conditions set out in this By-law, and Council's approval of the budget referred to in section 5, Council, by annual resolution, may grant money to the Association at such times and in such proportions as Council determines.

4. The Association may spend the grant money only to encourage, promote, and develop business in, and to improve the economics and welfare of, the area designated under the ______ BIA Designation By-law including studies, reports, management, and administration necessary to implement the business promotion scheme.

5. On or before December 31 of each year or as otherwise determined by the Director, the Association must submit to the Director a budget, based on a fiscal year commencing April 1, which contains information sufficient in detail to describe all anticipated expenses and revenues, and which the Association has approved in accordance with the requirements of its constitution and by-laws.

6. At least every three months after Council approves the budget, the Association must submit to the Director a statement of revenues and expenditures.

7. On or before September 30 of each year, the Association must cause its auditor to deliver to the Director the Association's audited financial statements including a balance sheet, a statement of revenue and expenditures, a statement of change in financial position, and a schedule of change in financial reserves.

8. The Association must keep grant money in a separate account, and must cause the revenue and expenditures resulting from use of that separate account to be an audited schedule to the financial statements and reported separately as required by section 6.

9. The Association must not borrow if the result is an indebtedness or other obligation as to grant money which extends beyond the fiscal year in which Council approved the grant.

10. The Association must permit the Director, or Director's designate, during normal business hours on reasonable notice, to inspect all financial records the Director deems advisable to verify and obtain further particulars of budgets and financial statements of the Association as they relate to grant money.

11. The Association may invest any grant money not required for immediate use but must do so only in securities in which trustees are authorized by law to invest.

12. The Association must carry comprehensive general liability insurance of at least \$2,000,000.00 which includes the city as an additional named insured, and contains a cross coverage provision and an endorsement to give the Director 30 days' notice of change to or cancellation of the policy.

13. The Association must give notice of every general meeting at least 14 days before the date scheduled for the meeting if delivered by hand or transmitted via facsimile or electronic mail, or 21 days by any other means to the Director; to all persons who own class 5 or class 6 properties, as described in section 459 of the *Vancouver Charter*, to their address as ascertained from the most recent assessment rolls for the City of Vancouver; and to all persons who lease class 5 or class 6 properties and from which they carry on a business, to their address as determined by directories, visual inspection or any other information system.

14. If the Association alters its constitution or by-laws without first giving the Director 60 days' notice and obtaining approval from the Director, the city may withhold payment of further grant money.

15. The Association must comply with the requirements under this By-law at its own expense.

16. This By-law is to come into force and take effect on *[date]*, and is to expire and have no further force or effect after *[date]*.

BIA OPERATIONAL GUIDELINES

In addition to the terms and conditions outlined in the Grant Allocation By-law the Director of Finance recommends that funding be contingent upon the Director being satisfied that the BIA Societies are complying with seven guidelines described herein.

The general intent of the guidelines is to ensure: that each BIA Management is representative of the community; that all persons eligible to be a BIA member are notified of general meetings; and that their ability to vote on the annual budgets is not restricted.

These operational guidelines were not incorporated into the City's by-laws because they may need to be changed as more experience is gained with business improvement areas. The guidelines are as follows:

- A. Copies of all minutes shall be provided to the Director of Finance within 30 days of general meetings and director's meetings.
- B. Should a Society choose to charge an annual membership fee, in addition to the BIA levy, that fee shall not exceed \$5.00.
- C. The quorum for a general meeting shall be fifteen members.
- D. BIA members can be either (class 5 or 6) owners or tenants. In order that the views of both types of BIA members are represented, the Board of Management shall consist of both property owners and business owners who are eligible to be members.
- E. A declaration, stating that all persons eligible to be BIA members were notified of a general meeting, shall be sent to the Director of Finance not less than 7 days prior to the date scheduled for a general meeting.
- F. AGM Notice should include:
 - a detailed new budget so it can be reviewed before the AGM;
 - a list of nominees for the Board;
 - financial statements.
- G. Guidelines for bidding practices
 - Common law rule indicates that a director is disqualified from voting on any question in which he or she has a personal or pecuniary interest distinct from that of the inhabitants generally. In addition, directors are expected to disclose any disqualifying interest.
 - Three bids, closed envelopes, no post mortem undercutting.
 - Clear identical descriptions of jobs provided to all bidders.
