- Community Investment

PORT METRO
vancouver

PORT METRO VANCOUVER

- Non shareholder, financially self-sufficient corporation established by the Government of Canada
- Responsible for the operation and development of the assets and jurisdictions covering more than 600 km of shoreline:
 - Burrard Inlet
 - Fraser River
 - Roberts Bank

COMMITMENT TO CORPORATE SOCIAL RESPONSIBILITY

Mission

- To be the most sustainable Gateway for the customers we serve, benefitting communities locally and across the nation.

Vision

- To lead the growth of Canada's Pacific Gateway in a manner that enhances the well-being of Canadians.

THE PORT 2050 PROCESS

Two key questions:

- *What is good growth for the Gateway and its stakeholders?*
- *What will the Port look like in the next 20 and 40 years?*

PORT 2050 SCENARIOS

OUR ANTICIPATED FUTURE

LAND USE PLAN UPDATE

- Framework for the physical development of the Port
- Long-term plan for next 15-20 years
- Similar to an Official Community Plan
- Not a detailed development strategy
- Provides sufficient level of guidance and can be flexible

LAND USE PLAN PROCESS

- Phase 1:
 - Five stakeholder workshops
 - Three public open houses
 - Two First Nations workshops
- Phase 2:
 - Three stakeholder workshops
 - Three public open houses

TRADE AREA PROJECTS

- Three key trade areas:
 - North Shore Trade Area
 - South Shore Trade Area
 - Roberts Bank Rail Corridor
- Investment from funding partners of more than \$700 million
- Reduce congestion and improve traffic flows and traffic safety

PROJECT REVIEW PROCESS

- Regulatory role for new development under the Canada Marine Act
- Includes permitting aspect and environmental review
- Similar to municipal permitting process
- Information on projects currently being reviewed is [online](#).
