Mayor Gregor Robertson & Councillors

Mayor and Council:

The intent of this letter is to express our support for the planned new development at the former Canadian Tire location.

We have lived in this area for a number of years now and we feel that there is a need for a new housing project that would cater to both small and medium sized families.

This particular stretch of Kingsway should have more nice shops, restaurants, and coffee shops and a large grocery store would be a big help as well.

The development will certainly enhance the look of the vicinity and contribute to the improvement of the Kingsway area as a whole.

Sincerely yours,

ELADIO MELANIO
