THE CORPORATION OF THE
CITY OF FERNIE

5.22(1) Personal and Confidential

Friday, July 05, 2013

Your Worship Mayor Gregor Robertson,
City Councillors Affleck, Ball, Carr, Deal,
Jang, Loui, Meggs, Reimer, Stevenson and Tang

Dear Mayor and Councillors,

RE: Zoning amendment bylaw to prohibit coal handling and storage at marine terminals and berths.

I would like to offer my concerns regarding consideration for the above proposed zoning bylaw amendment.

If this amendment is passed the economic impact to Fernie and the entire Elk Valley would be enormous.

The coal mines in this Valley support over 4000 direct employees as well as many supporting contractors.

The ripple effect of such a zoning bylaw amendment would negatively impact the entire province as it would not only affect employees and their families but also cause a possible loss of tax revenues to the potential decrease to coal shipments.

Please give serious consideration to the repercussions of your resolution before making your decision.

Yours truly,

THE OFFICE OF THE MAYOR

Mary Giuliano, Mayor
