I oppose the Rezoning Application for 1575 West Georgia Street and 620 Cardero Street to build a 26-storey tower. This will negatively affect our building and community in terms of shadow casting, air space, traffic and noise. It will also harm PAL's 4000 square-foot rooftop garden, a vital amenity and green space for PAL/Performing Arts Lodge residents, our Coal Harbour neighbours, performing arts communities and the Hastings Street Greenway.

Sincerely;
Nicholas Bristowe\
