## Please Save Our Sunlight!

***I oppose the Rezoning Application for 1575 West Georgia Street and 620 Cardero Street to build a 26-storey tower. This will negatively affect our building and community, including PAL's 4000 square-foot rooftop garden, a vital amenity and green space for PAL/Performing Arts Lodge residents, our Coal Harbour neighbours, performing arts communities and the Hastings Street Greenway.***

Print Name	Signature	Address (if other than 581 Cardero St.)
