Dear Mayor and Council,

I am a homeowner in First Shaughnessy. I am writing to you regarding the First Shaughnessy Heritage bylaw amendments.

1. Appendix A4 (List of Protected Heritage Properties) should also be amended or completely disposed of since it is not a valid list of properties with proven heritage merit. Perhaps Appendix A4 should only include properties on the Vancouver Heritage Register, this would be a much more legitimate list in achieving your heritage goals.

2. Appendix F (Procedure for Review of Protected Heritage Property Status). I think this is the procedure the City should have used in the first place to prove heritage merit status to be included on the list of protected heritage properties. But the way it is now the City has the assessment process in reverse (ie. the process to delist should have been the process to list). This reverse process does not seem fair and is contradictory.

Thank you for considering my opinion.

Sincerely,

Edward Lum
