RE: 22 East 5th Avenue – Heritage Designation & Heritage Revitalization Agreement

Your Worship and members of Council:

We write in support of the development at 22 East 5th Avenue and the heritage designation and revitalization agreement.

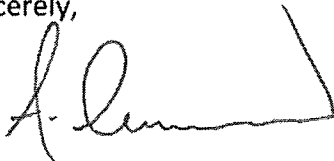

Our sister company, Alpha Sportswear Ltd. proudly manufactured athletic clothing in Mount Pleasant for over 43 years.

We own The Alpha Building at s.22(1) Personal and Confidential, and have recently redeveloped this property as part of the revitalization in the area.

As a long term business and property owner, we believe this new building on East 5th Ave will be complimentary to the surrounding neighborhood, contributing to the significant improvements and development momentum in the area.

We look forward to seeing this building completed and further improvements in the area.

Sincerely,

Ara Agazarian
Vice President
