Subject: RE: 2308 East 34th Avenue

To whom it may concern,

We are a family of four that have lived here for the past 21 years. We are happy with our surrounding neighbours. We have concerns over the application as per attached. We hope you understand our concerns and are able to help us with this issue.

Thank you very much.

RE: 2308 East 34th Avenue

1. NO parking is provided within the plan, parking is a big problem.
 - Should provide own parking.
2. Too close to the property line on both 34th Avenue, and on Nanaimo Street.
 - It makes us feel claustrophobic.
3. Too close to the sidewalks.
 - It blocks the whole block.
4. The buildings are too big.
 - It blocks the whole block and surrounding neighbours, especially the 3 story duplex behind the store. It is too big and too close to the property line, and should only be a lane-way house with parking.

Overall, these 5 units with no parking brings us lots of problems and stress for the surrounding neighbours and residents. We want a comfortable and peaceful neighbourhood.
