Re: Item 2 on Agenda for June 21, 2016 Public Hearing. Rezoning and Heritage Designation: 2308 East 34th Avenue (B&K Grocery)

We would like to express our support for the rezoning and heritage designation of this site for the following reasons:

1. The site is one of the few genuine heritage buildings in Norquay. Its brick structure and stone sills make it unique.
2. The B&K grocery has been an important part of the neighbourhood for many years. Our daughter remembers playing pinball there with her friends when she was in upper elementary school 25 years ago.
3. The proposed redevelopment is a sensitive restoration of the entire building in its original location.
4. The infill buildings fit the neighbourhood context with respect to housing form and height.
