## Schedule B

### I-4 District Schedule (Historic Industrial District)

#### 1 Intent

Railtown is one of the city's original industrial districts. The precinct has a distinct industrial character defined by its collection of historic building forms, building material, proximity to the Port of Vancouver and unique street pattern.

The intent of this schedule is to permit industrial and other uses that are generally incompatible when situated in or near residential districts but are beneficial because they provide industrial employment opportunities and serve a useful or necessary function in the city. One of the industrial uses that is permitted is creative products manufacturing. A limited number of office uses compatible with or complementing light industrial uses are also permitted. The retention or conservation of historic buildings and features is encouraged.

#### 2 Outright Approval Uses

2.1 Subject to all other provisions of this by-law and to compliance with section 2.3 and the regulations of this schedule, the uses noted in section 2.2 are permitted in this district and will be issued a permit.
