Re: Support for Rezoning of the Site at 2106 Main Street

To: Honorable Mayor and Council,

I am writing in support of the proposed rezoning of the site located at 2106 Main Street, Vancouver BC.

I recently moved into this neighborhood with my family and we love the vibrancy and energy this community has to offer. With a young son and one baby on the way, we knew this was the neighborhood we wanted to raise our children, have them go to school and feel proud to live in a community that is safe and close knit.

With many accessible amenities like a community centre, shopping, restaurants and transit this location is ideal for my family. Not only is this area very walkable, this location is also centrally located, allowing me several options to take public transportation to work and/or has reduced my commuting time by half.

I support this residential development by Chard because I feel more families like mine need an opportunity to raise their family in an amazing community like Mount Pleasant. By providing more homes, we are ensuring the long term support for the commercial enterprises that add to the look and feel of this neighborhood. Chard is a family based development company and I feel they will take all the necessary steps to ensure they build their homes to fit in with the current neighborhood.

Sincerely,

"s.22(1) Personal and
Confidential)"
