City of Vancouver Council,

In regards to the above named addresses, I fully support the Projects as they have been presented by Grosvenor Canada/Americas.

The new residential tower will be a welcomed addition to our neighbourhood. More so, I am looking forward to the 'community space' proposal at 801 Pacific Street, or the NW corner of Howe & Pacific Streets. The area is in need of resources and amenities, and ideally I envision an local artist rentable space & cafe built there.

I am no stranger to the neighbourhood, as I have owned across the street at s. 22(1) Personal and Confidential for 21 1/2 years, and I currently sit as Strata Council President. I live and work here, representing our neighbourhood.

Should you have any questions, or would like my suggestions within the 801 Pacific community space, please feel free to contact me any time at s. 22(1) Personal and Confidential

Dear Mayor and Council,

We wish to express our support for the rezoning proposal at 1380-1382 Hornby Street and 801 Pacific Street. The architectural design of this project is visually appealing and it will deliver much needed housing within the downtown area. As local residents we welcome the provision of an arts and culture facility which will help to animate the neighbourhood.

Yours Sincerely,

Maryam Bagheri and Sean Vrtacic
