SUBDIVISION**

- 9.1 **Subdivision.** If the Lands are subdivided at any time hereafter either under the provisions of the *Land Title Act* or under the *Strata Property Act* or under other similar legislation enacted from time to time then upon the deposit of a plan of subdivision, strata plan, or similar plan as the case may be:

{00613494v3}

Heritage Revitalization Agreement  
2840 Yukon Street (Annie Campbell Residence)  
2850 Yukon Street (Howard and Idella Campbell Residence)

- (a) subject to Section 9.2 herein, the rights and benefits of this agreement herein granted will be annexed to and run with each of the new parcels, lots, or other subdivided parcels and areas so created; and
- (b) subject to Section 9.3 herein, the burdens, obligations, covenant, statutory right of way and Equitable Charge contained in this agreement will continue to charge each of the new parcels, lots, or other subdivided parcels and areas so created.

9.2 **Subdivision by Strata Plan.** If the Lands, or any portion thereof, are subdivided by a strata plan, this agreement will charge title to the strata lots and the common property comprising such strata plan and:

provided that, if the Lands are first subdivided by air space plan and then one or more of these parcels are further subdivided by strata plan, the easements and covenants registered concurrently with the air space plan may designate the air space parcel or the remainder, and therefore the strata corporation, responsible to perform and observe the Owner's covenants in this agreement.

9.3 Should the Lands be subdivided pursuant to the *Land Title Act* to create a parcel in which only a New Building is located, then at the Owner's request after the Rehabilitation Work has been completed in accordance with this agreement, the City, at the Owner's expense, will discharge from title to the newly created parcel containing only a New Building, the Section 219 Covenant, the Statutory Right of Way and the Equitable Charge contained in this agreement and will request of the Registrar of the Land Title Office that all legal notations referring to this agreement and the Heritage Designation be removed from title to the parcel containing only a New Building, provided that, if the owner of that parcel which contains only a New Building wishes to retain the variances granted under Article 8, of this agreement, then this agreement for such parcel, including the variances granted for that parcel, will be retained on title to that parcel. For certainty, nothing in this Agreement shall be read to mean that an application for a subdivision under the *Land Title Act* is to be accepted by the City.

9.4 The Owner hereby acknowledges and agrees that for the purposes of Section 592(4) of the *Vancouver Charter*, following such a subdivision, the Owner of the parcel that contains only a New Building may seek to amend this agreement as registered on title to that
