April 10<sup>th</sup>, 2017

Due to the unavoidable increase in traffic flow from the rezoning and redevelopment of 3868-3898 Rupert Street & 3304-3308 East 22<sup>nd</sup> Avenue, we, the owners/residents living on the eastern side – between Rupert and Cassiar Street:

From 3318 to 3398 East 22<sup>nd</sup> Avenue

And From 3317 to 3395 East 23<sup>rd</sup> Avenue

Request the City of Vancouver to construct two post bollards on the lane intersections. This will help to prevent excessive usage of the back lane between East 22<sup>nd</sup> and 23<sup>rd</sup> Avenues. Shoppers going to/fro the new development will likely access the underground parkade via the back lane; this will increase the risk of accidents. We are a family neighborhood. Residents and children ought to be safe walking, cycling on our backyards and back lanes.

If you support the request to construct two post bollards on the lane intersections, please sign the attached form.

Thank you.
