Mayor and Council
Vancouver City Hall
453 West 12th Ave
Vancouver, BC V5Y 1V4

Dear City Clerk,

My name is Eric Szeto and I am the President and founder of the Vancouver Seniors' Singing Club Association, as well as an advocate and steering committee member of the Chinatown Seniors Cultural & Recreational Coalition.

Please find enclosed a petition supporting the 105 Keefer project in Chinatown.

This petition includes **1075 signatures of REAL LOCAL CHINESE PEOPLE who support** 105 Keefer project for their community.

Please support 105 Keefer project at the public hearing on May 23rd.

Sincerely,

s.22(1) Personal and Confidential

Eric Szeto

Vancouver Seniors' Singing Club, President

Chinatown Seniors Cultural & Recreational Coalition, Steering Committee

PETITION

We the undersigned wish to express our support for the revised rezoning application for 105 Keefer Street. This presently vacant site is underutilized and an impediment to Chinatown revitalization.

Allowing the increase in height from the already permitted 90 ft to 120 ft will bring numerous community benefits to Chinatown, such as a new seniors centre and seniors housing units, with only a marginal increase in height. This form of compromise should be encouraged in the pursuit of the revitalization of Chinatown.

我們聯名簽署這封信，是為了支持奇化街 105 號興建大廈的加高申請。現在這個空置地盤，未獲充分利用，妨礙了華埠的振興。讓它由已經獲准興建的 90 呎高度，增至 120 呎，將會為華埠帶來無數社區利益，例如有一個新耆英中心和多個長者廉租單位，這些只不過需要多一點建築高度而已。為了振興華埠，這種讓步應該鼓勵。

We the undersigned support the Rezoning Application plan for 105 Keefer Street. The proposed seniors centre and seniors housing units will add to the quality of life for hundreds of Chinatown area seniors, and are important new benefits for the entire Chinatown neighbourhood, along with the influx of residents who will stimulate business activities and help revitalize Chinatown

我們這封信的簽署人，支持奇化街 105 號大廈的更改土地用途申請計劃。建議中的耆英中心和耆英廉租單位，將會有助提高華埠地區千百耆英的生活質素。對於整個華埠社區，也是重要的新利益。還有將會搬入來的大批居民，亦會刺激商業活動和幫助華埠復甦。

We the undersigned wish to express our support for the revised rezoning application for 105 Keefer Street. This presently vacant site is underutilized and an impediment to Chinatown revitalization. Allowing the increase in height from the already permitted 90 ft to 120 ft will bring numerous community benefits to Chinatown, such as a new seniors centre and seniors housing units, with only a marginal increase in height. This form of compromise should be encouraged in the pursuit of the revitalization of Chinatown.

我們聯名簽署這封信，是爲了支持奇化街 105 號興建大廈的加高申請。現在這個空置地盤，未獲充分利用，妨礙了華埠的振興。讓它由已經獲准興建的 90 呎高度，增至 120 呎，將會爲華埠帶來無數社區利益，例如有一個新耆英中心和多個長者廉租單位，這些只不過需要多一點建築高度而已。爲了振興華埠，這種讓步應該鼓勵。

華埠奇化街 105 號

收集簽名支持興建 長者廉租居住單位 及 長者活動中心

大溫地區有很多小規模的非牟利社團，因財政緊絀，無法獨立租賃自己的會址，只能掛靠分散在各地區中心或私人地方活動，很不穩定和沒有保障。他們都希望市政府能夠在制訂振興華計劃框架內，協助提供廉租可負擔地方讓這些小社團有自己的社址作為社交和文藝活動之用。溫哥華華埠一直以來是華人的文化活動中心，後來因種種原因離開而散居各地。要重振華埠需先聚人氣，辦法包括改善居住環境吸引更多新居民，多提供廉租場地吸納文化藝術團體和藝術家回流，多搞各類型活動匯聚人流，帶動區內消費，繁榮華埠商業。

華埠奇化街 105 號大廈的業主更改土地用途申請計劃。建議中划出約一千多呎作為長者文藝活動中心和 20 多個長者廉租居住單位，將會有助提高華埠地區千百耆英的生活質素。對於整個華埠社區，也是重要的新利益。還有將會搬入來的大批居民，亦會刺激商業活動和幫助華埠復甦。

為了支持奇化街 105 號興建大廈的加高申請。現在這個空置地盤，未獲充分利用，妨礙了華埠的發展。讓它由已經獲准興建的 90 呎高度，增至 120 呎，將會為華埠帶來無數社區利益，例如上述的一個新長者活動中心和多個長者廉租單位，這些只不過需要多一點建築高度而已。為了振興華埠，這種讓步應該鼓勵。

因此請你們加入請願簽名活動，並徵求各會友，家屬，朋友簽名支持，數目越多越好。附件是兩款不同的簽名請願書，那款合用，適隨尊便。謝謝你們的合作和支持。

We the undersigned wish to express our support for the revised rezoning application for 105 Keefer Street. This presently vacant site is underutilized and an impediment to Chinatown revitalization. Allowing the increase in height from the already permitted 90 ft to 120 ft will bring numerous community benefits to Chinatown, such as a new seniors centre and seniors housing units, with only a marginal increase in height. This form of compromise should be encouraged in the pursuit of the revitalization of Chinatown.

We the undersigned wish to express our support for the revised rezoning application for 105 Keefer Street. This presently vacant site is underutilized and an impediment to Chinatown revitalization. Allowing the increase in height from the already permitted 90 ft to 120 ft will bring numerous community benefits to Chinatown, such as a new seniors centre and seniors housing units, with only a marginal increase in height. This form of compromise should be encouraged in the pursuit of the revitalization of Chinatown.

我們聯名簽署這封信，是爲了支持奇化街 105 號興建大廈的加高申請。現在這個空置地盤，未獲充分利用，妨礙了華埠的振興。讓它由已經獲准興建的 90 呎高度，增至 120 呎，將會爲華埠帶來無數社區利益，例如有一個新耆英中心和多個長者廉租單位，這些只不過需要多一點建築高度而已。爲了振興華埠，這種讓步應該鼓勵。

We the undersigned support the Rezoning Application plan for 105 Keefer Street. The proposed seniors centre and seniors housing units will add to the quality of life for hundreds of Chinatown area seniors, and are important new benefits for the entire Chinatown neighbourhood, along with the influx of residents who will stimulate business activities and help revitalize Chinatown

我們這封信的簽署人，支持奇化街 105 號大廈的更改土地用途申請計劃。建議中的耆英中心和耆英廉租單位，將會有助提高華埠地區千百耆英的生活質素。對於整個華埠社區，也是重要的新利益。還有將會搬入來的大批居民，亦會刺激商業活動和幫助華埠復甦。

We the undersigned wish to express our support for the revised rezoning application for 105 Keefer Street. This presently vacant site is underutilized and an impediment to Chinatown revitalization. Allowing the increase in height from the already permitted 90 ft to 120 ft will bring numerous community benefits to Chinatown, such as a new seniors centre and seniors housing units, with only a marginal increase in height. This form of compromise should be encouraged in the pursuit of the revitalization of Chinatown.

我們聯名簽署這封信，是爲了支持奇化街 105 號興建大廈的加高申請。現在這個空置地盤，未獲充分利用，妨礙了華埠的振興。讓它由已經獲准興建的 90 呎高度，增至 120 呎，將會爲華埠帶來無數社區利益，例如有一個新耆英中心和多個長者廉租單位，這些只不過需要多一點建築高度而已。爲了振興華埠，這種讓步應該鼓勵。

We the undersigned support the Rezoning Application plan for 105 Keefer Street. The proposed seniors centre and seniors housing units will add to the quality of life for hundreds of Chinatown area seniors, and are important new benefits for the entire Chinatown neighbourhood, along with the influx of residents who will stimulate business activities and help revitalize Chinatown

我們這封信的簽署人，支持奇化街 105 號大廈的更改土地用途申請計劃。建議中的耆英中心和耆英廉租單位，將會有助提高華埠地區千百耆英的生活質素。對於整個華埠社區，也是重要的新利益。還有將會搬入來的大批居民，亦會刺激商業活動和幫助華埠復甦。
