Dear Mayor Gregor Robertson & Vancouver City Council,

I urge you to make a motion to reschedule Monday morning's public hearing regarding development at 105 Keefer to an evening after Monday, to allow everyone an opportunity to speak.

The simple matter of high turnouts and additional hearing dates added are clear indicators that such important city planning decisions should not be rushed and private business interests should not have unfair advantage or excessive influence on the decision making process, least of all at the expense of local residents facing rent increases and possible displacement.

Please pass a motion to rescheduling the 105 Keefer meeting to the evening so as not to inhibit attendance and hamper those wishing to speak.

Thank you,

Christopher Nash

Subject: 105 Keefer Hearings: Change the hearing time to 6pm

Hello,

I am emailing you concerning the 105 keefer hearings.

As it stands, the 9:30am allotted time for this event is inaccessible to many people who intend to go to the hearing and express their views on the project planned in chinatown.

Please change the hearing time to **6:00pm**.

This later time will allow more people to join and express their views, and it is far more accessible and democratic than the one currently planned.

Again, please change the hearing time to **6:00pm** from 9:30am.

This will ensure the democratic nature and meaning of these hearings, as well as their goal to properly hear the voices of the chinatown community that it concerns.

I hope you will heed this request from the community, and make these hearings as fair and accessible as they should be.

Thank you and regards,
Phebe Ferrer

Importance: High

We are writing to protest the fact that the continued hearing with respect to 105 Keefer Street is being held at a time (Monday, 9:30 am) when most people are unable to attend. The previous three hearings were held from 6pm to 11pm – a time that MOST PEOPLE can easily attend without compromising work commitments. This new absurd hearing time smacks of corrupt political manoeuvring to avoid the majority of citizens who oppose/protest this development. City Hall is SUPPOSED to be neutral and acting for ALL its citizens, not just the developers and largest political donors to Vision Vancouver.

This is shameful and inexcusable.

Strongly suggest that this hearing be rescheduled to 6pm to 11pm.

To whom it may concern,

I am e-mailing about the #105Keefer hearings and I am concerned that the hearing is at 9:30am on a weekday. This is NOT accessible or acceptable. To quote Melody Ma, 'a Monday 9:30am public hearing leaves those who are being paid to attend, take time off or can sacrifice pay to speak.' Please make it 6pm.

Also, I would like to comment that the daytime scheduling for tomorrow's hearing precludes many engaged citizens from speaking as people typically work 9-5 jobs. Please share this comment with Council; noting that I am one of many individuals urging for an evening hearing.

Additional Information for Speakers at Large Public Hearings:

To ensure your safety as well as an orderly and fair process during the public meeting, the City adopted a crowd management strategy to better organize large crowds. We appreciate your cooperation in observing the following procedures.

- The lower seating area of the Council Chamber will be reserved for registered speakers and staff only.
- All speakers are required to check in at the ground floor Information Kiosk where they will be given a number indicating speaking order.
- Speakers who have completed their presentations will be encouraged to move out of the lower level of Chamber to make room for those waiting to speak.
- Overflow speakers will be seated in the Chamber balcony, the unreserved area of the third floor lobby, and in the Media Centre on the main floor.
- Staff seating will be clearly marked and Security staff will ensure this area remains clear. Please be advised that only Members of Council and City staff are permitted beyond the speaker's podium.
- Access to the building will be provided 1 hour before the start of the meeting with the doors to the Council Chamber opening about a half hour before the start of the meeting. The public will not be provided with early access. If there is a need for early access, please speak to on-site Security staff who will take the appropriate action.

Please note: At present there are approximately 196 remaining speakers. Contingency backup nights are reserved in Council's calendars, should they be required. The Mayor will announce the next backup night at the beginning and end of each meeting. Any backup information will also be posted on the agenda that is linked from the Council Meetings website at vancouver.ca/councilmeetings.

Subject: 105 Keefer rezoning public hearing - Pls reschedule reconvene time to evening
Importance: High

Dear Mayor Robertson and Councillors:

I have been attending the 105 Keefer public hearings and am registered as Speaker Number 229.

Because the hearing is now scheduled to reconvene on Monday and take place during the work day, I will need to take an "unpaid" day off work to make sure that I don't miss my chance to speak and also to hear other speakers.

However not everyone can take time off work to attend a daytime hearing, and as such, some citizens will be denied their right to speak and attend the hearing in person.

To ensure that your consideration of this rezoning application is informed by fair and inclusive public process, I urge you to make a motion on Monday to reschedule the hearing to reconvene to a date in the evening that will allow more citizens to attend and be thus engaged with this process.

Yours truly,

Cynthia Kent

Dear Mayor Robertson and City Council Members Setting the hearings for a Monday morning at 9am, is totally ridiculous. It limits who can attend to those that are able to take time off work or are on shift work.

You should allow for a time that EVERYONE can attend.

Please make a motion on Monday to reschedule the public hearing to an evening for a fair inclusive public process.

Sincerely,

Hello

The below is very true about having a hearing session mindful of the many working citizens like myself. Or those with disability dependant transportation (taxi and handydart morning advanced bookings).

Going forward with a 9am hearing will be greatly difficult and may appear bias. Furthermore, we must also consider those who travel in morning traffic congestion to City Hall, find parking, and risk a chance of being late (or considered a No Show).

Please keep the evening sessions so that all voices can be heard.

Subject: Reschedule 105 Keefer public hearing for a real Engaged City

Dear Mayor & Council,

I urge you to make a motion to reschedule the Monday morning 105 Keefer public hearing to an evening after Monday, so that everyone has a fair opportunity speak. Working people need to work 9 to 5pm to pay rent and take care of families. We cannot afford to take time off, but want to have equal access to all City engagement channels to fully participate just like everyone else who has or is given the means.

Please pass a motion to reschedule the 105 Keefer meeting to the evening to give everyone a chance to speak. We need to in order to create the truly engaged city that you hoped for when you created the Engaged City Task Force.

Subject: Hearing Schedule for 105 Keefer

Mayor Robertson and Council:

I understand the next session of the hearing on 105 Keefer is scheduled for tomorrow at 9:00 am. This exclude a lot of working people who may wish to voice their opinion on this proposed development unless they can afford to take some time off to attend this hearing. For this reason I urge you to reschedule this hearing and all future hearings at times where working class people can attend.

Thank you for your consideration.

Subject: RE: 105 Keefer St rezoning application

Dear Vancouver City Council,

I am writing this email because I do not support the 105 Keefer St rezoning proposal. I live in Vancouver close by to Chinatown. I care a lot about the neighbourhood. I am born and raised in Vancouver. I am embarrassed by some of the history, but proud of how Chinese families survived obstacles put before them. It is sad that Vancouverites have to fight to preserve our history good and bad. Please keep up the fight.

I urge you to reject the application for these reasons:

- Taxpayers should not be funding Beedie's profit. We are funding the social housing that they are using to justify the increase in height and density. They are not paying any CAC and got a discounted DCL. This is not right.
- The ground floor retail businesses will unlikely be affordable to seniors.
- This project will contribute to increased property taxes that independent family businesses cannot afford.
- Its mass is out of scale with the neighbourhood.
- It was rejected by a City committee, Chinatown Historic Area Plann Committee.

The following uses of the site are more appropriate:

- A neighbourhood community centre
- A plaza for the community
- An intergeneration space
- Small multi-use building. Senior housing and daycare for families.

This is an unacceptable application and council should not approve it.

Sincerely yours,
Deirdre Shannon

Subject: Reschedule 105 Keefer public hearing for a real Engaged City

Dear Mayor & Council,

I urge you to make a motion to reschedule the Monday morning 105 Keefer public hearing to an evening after Monday, so that everyone has a fair opportunity speak. Working people need to work 9 to 5pm to pay rent and take care of families. We cannot afford to take time off, but want to have equal access to all City engagement channels to fully participate just like everyone else who has or is given the means.

Please pass a motion to reschedule the 105 Keefer meeting to the evening to give everyone a chance to speak. We need to in order to create the truly engaged city that you hoped for when you created the Engaged City Task Force.

Thank you.

Subject: Your scheduling of the next chinatown meeting deliberately excludes the speakers most concerned about 105 Keefer St

It is important for Vision Vancouver to be accessible on this important decision on 105 Keefer Street. By scheduling the meeting for 9:30 am you have deliberately excluded the people most concerned with that development permit as they work 9am - 5 pm please reschedule the public hearing to an evening time slot to be fair to the community.

To Mayor and Council:

VISION SKEWS PUBLIC HEARINGS TO BENEFIT ITS DONORS?

Is Vision employing a strategy to exhaust the speakers list? They have decided to reconvene the Public Hearing at probably the most inconvenient time, during regular office hours on a weekday.

Having participated in Planning's process around 105 Keefer Street proposal, and observed Council over 3 nights of public hearings, it's shocking to discover Council would act in any way to derail **DEMOCRATIC PROCESS**. The degree of ignorance and naïveté revealed by Council's questions and comments is appalling. Cost-benefit analysis? Should we have one? Is this an international standard? My children just have to look in the mirror to know they're of Chinese descent; why do we need to do more than preserve some of the area's architecture? Of course 8 units of seniors' housing, 16 of "affordable" rentals, and a temporary lease on 1000 sq. ft. of "cultural" space is an adequate trade-off for 3 storeys of luxury condos in one of the most significant and sensitive areas of Chinatown.

The scent of corruption is palpable. Does **BEEDIE's** \$600,000.00 contribution to Vision's campaign coffers **TRUMP** democratic process?

Time to **WARRIOR UP**, boys and girls. **REVERSE THIS DECISION, GET THROUGH THE PROCESS, LISTEN TO THE PEOPLE** (for lack of a better word). **IT'S YOUR JOB, WHAT YOU'RE PAID TO DO. DO THE RIGHT THING. COME TO AN EQUITABLE AND JUST SOLUTION.**

regards,

K. L. Hawkes

Subject: Reschedule 105 Keefer public hearing for a real Engaged City

Dear Mayor & Council,

I urge you to make a motion to reschedule the Monday morning 105 Keefer public hearing to an evening after Monday, so that everyone has a fair opportunity speak. Working people need to work 9 to 5pm to pay rent and take care of families. Also to pay the Tax so you people all get paid!

We cannot afford to take time off, but want to have equal access to all City engagement channels to fully participate just like everyone else who has or is given the means.

Please pass a motion to reschedule the 105 Keefer meeting to the evening to give everyone a chance to speak. We need to in order to create the truly engaged city that you hoped for when you created the Engaged City Task Force.

Subject: reschedule Monday's public hearing

I am requesting that Vancouver City Council reschedule the public hearing for 105 Keefer St from 9:30am Monday May 29/17 to an evening slot. To ensure a broad, fair public hearing, please make it possible for more ordinary citizens who work regular hours to attend. We cannot afford to miss work to be at these meetings like many paid consultants or lobbyists.

Pearl Louie

Dear Mayor & Council,

I urge you to make a motion to reschedule the Monday morning 105 Keefer public hearing to an evening, so that everyone has a fair opportunity to speak. Day-time meetings penalize individuals who cannot afford to take time off from work. Whatever the intention, scheduling a meeting at this time looks like an attempt to shut down opposition to the proposal.

When I was part of the group fighting the expansion of the Edgewater Casino, City Hall did not schedule daytime hearings, and I don't see why they are necessary on this issue either. it's an anti-democratic practice so I trust you will reconsider.

Yours very sincerely,

Dear Mayor,

I would like to speak to council about my position on the rezoning application put forward by Beedie Living at 105 keefer st in Chinatown.

I have taken time to attend the 3 previous meetings waiting for my turn to speak. Having the Monday session take place before 5pm on a weekday while I and many others are at work makes it impossible for myself and many others in the community to speak and be heard by yourself and council. This process means a lot to me and I was really looking forward to speaking.

Could you please make a motion to have another public hearing take place after 5pm on a weekday this week so I can have a chance to speak?

Thank you for your time and consideration.

All the best,
Stephan Wright
