Mayor and Council,

Please approve of the 105 Keefer project by Beedie Living. I love Chinatown and I would very much like to be able to rent or buy in the building once it is complete. The drawings of the building are beautiful and I think it will be a fantastic addition to the neighbourhood.

I never used to venture into Chinatown, but with new restaurants, bars, cafes, gyms and retail it has become one of my favourite locations in the city. I have seen in the news that groups in Chinatown think that new development is changing the community, but if it is changing it, it is only a change for the better.

I fully support this development and I urge you to approve it.

Thank you,
Rylee O'Rourke
