Meeting Date: June 14, 2017

TO: Standing Committee on City Finance and Services

FROM: General Manager of Community Services in Consultation with the General Manager of Real Estate and Facilities Management

SUBJECT: Appointment of Operator and Lease Terms for SWAN Vancouver at 1101 Seymour Street

RECOMMENDATION

- A. THAT Council approve the following non-profit organization to occupy and operate a portion of the 21,270 square foot social service centre (the "Centre") currently under construction at 1101 Seymour Street legally described as Parcel Identifier: 029-321-808; Lot 1 Block 93 Plan EPP40740 District Lot 541 NWD Group 1 (the "Property") and to be delivered with the transfer of the Property from the current owner, 0920346 BC Ltd., to the City of Vancouver (the "City"):

Supporting Women's Alternatives Network (SWAN Vancouver) Society ("SWAN")

- B. THAT Council authorize the Director of Real Estate Services to negotiate and execute a nominal lease agreement with SWAN for approximately 580 square feet on the 1st floor of the Centre (the "SWAN Lease") on terms and conditions consistent with the Term Sheet attached hereto as Appendix C and otherwise satisfactory to the Director of Real Estate Services and the Director of Legal Services.

As the rent for the premises will be below the applicable market rate and includes rent-in-lieu of property taxes, Recommendation B constitutes a grant valued at approximately \$21,000/annum based on the first year of the term.

- C. THAT no legal rights or obligations will arise or be created by Council's adoption of Recommendations A or B unless and until all legal documentation has been executed and delivered by the respective parties.

Recommendation B authorizes a grant and requires eight affirmative votes for approval.

REPORT SUMMARY

As part of rezoning negotiations at 1300 Richards Street, the City will receive title to a mixed-use building (the "Building") with 81 units of turn-key social housing component (the "Housing Component") with a social service centre located on floors one to four.

At the time of rezoning, Council approved that the two non-profit tenants in the previous building, Positive Living Society of British Columbia (PLBC) and AIDS Vancouver (AV), be provided space in the new building. Following this approval, staff identified 2,234 square feet of excess space within the social service centre, providing an opportunity for additional non-profit organizations to lease this space.

Staff are now seeking Council approval to appoint a third non-profit organization, SWAN, to lease and operate a 580 square foot portion on the first floor of the remaining space within the social service centre. Staff had previously also selected Metro Vancouver Aboriginal Executive Council (MVAEC) to lease the third floor but they had withdrawn their application prior to the Council date, citing their desire to remain close to partner Aboriginal organizations and clients. Staff will undertake a selection process, which includes re-evaluating applicants who applied for the excess 1,654 square feet space on the third floor, and report back to Council with recommendation for a fourth non-profit in the fall of 2017.

Staff have prepared general lease terms for SWAN that are consistent with other City-funded social non-profits in new City facilities.

COUNCIL AUTHORITY/PREVIOUS DECISIONS

Pursuant to Section 206(1) (a) of the Vancouver Charter, not less than two-thirds of all members of Council must approve a resolution for a grant to a charitable institution. A lease of City-owned property at less than market rent is considered to be a grant.

Council approved on-site facilities as Community Amenity Contributions at 1101 Seymour Street from two rezonings at Public Hearing:

- 1300-1320 Richards Street (RTS 9953, April 15, 2013)
- 1105-1101 Seymour Street (RTS 9952, April 15, 2013)

On September 20, 2016, Council approved three non-profit organizations, Positive Living Society of British Columbia (PLBC), Vancouver AIDS Society (AV), and Gordon Neighbourhood House (GNH) to operate a portion of the social service space at 1101 Seymour Street (RTS 011605). Following Council approval, GNH withdrew their application.

CITY MANAGER'S/GENERAL MANAGER'S COMMENTS

This report advances Council priorities, specifically, the City's efforts to respond to the Missing Women Commission of Inquiry and social inclusion with respect to sex worker and community safety. In addition, the City's aim to support non-profits through affordable and accessible community amenity space is met. The General Manager of Community Services recommends approval of Recommendations A through C above to ensure that City space can be used to achieve optimal benefits for the non-profit sector and further benefit the communities that they serve.

REPORT

Background/Context

1. Securing Community Amenity Space through Rezoning as Part of a Larger Mixed-Use Social Housing Development

As part of rezoning negotiations at 1300 Richards Street, the City will receive title to a mixed-use building (the "Building") with 81 units of turn-key social housing (the "Housing Component") and a social service centre located on floors one through four. The City will manage the leases for the social service centre and operate the Housing Component for up to five years through the City's Housing Operations division.

In addition to the social service centre, the City will be the interim operator of the housing component for the initial phase of the project and then a process will be conducted to select a long-term non-profit housing operator. Staff will report back to Council with recommendations and lease terms once this process is completed. Delivery of the entire building is expected in June 2017.

2. Appointment of Positive Living BC and AIDS Vancouver to Operate a Portion of the Social Service Centre

On May 15, 2013, Council approved, subject to conditions of enactment, the rezoning at Public Hearing for 1300-1320 Richards Street. Part of the in-kind Community Amenity Contribution was that the applicant/owner (Wall Financial Corporation) would provide the City with 21,270 square feet of a purpose-built social service centre on floors one through four at 1101 Seymour Street (see <http://council.vancouver.ca/20130423/documents/p3.pdf>). Prior to rezoning, Wall Financial made commitments that PLBC and AV, the two non-profits occupying the previous space, would be able to return to the new facility.

Following rezoning, staff worked with PLBC and AV to determine their space needs and 2,234 square feet of space for a third non-profit(s) within the Centre was identified. City Council approved the appointment of PLBC and AV, and Gordon Neighbourhood House (GNH) as the third non-profit, along with general lease terms, on September 20, 2016 (<http://council.vancouver.ca/20160920/documents/a6.pdf>). Following Council approval, GNH decided that the space was not suitable and withdrew from the space.

3. Appointing an Additional Nonprofit Tenant for a Portion of the Remaining Space within the Social Service Centre

In January 2017, City staff circulated an application to City Social Grants applicants, or a total of 375 contacts, to operate and program the space aligning with the City's public service objectives (see Appendix A). The application was also made available to other non-profits by posting the application on the City's website.

Out of the 13 applications received (see Appendix B), staff are recommending SWAN for the 580 square foot portion located on the first floor of the remaining space. This process was based on a variety of criteria to ensure that space would be managed by an organization that: provides programs and services that advance City priorities; is currently located in inadequate space; and, has strong organizational and financial capacity.

Strategic Analysis

1. The Need for Suitable Community Space Amongst the Nonprofit Sector

Vancouver is home to social nonprofit organizations that provide valuable community programs and services. However, the sector faces significant facility challenges such as affordability, aging facilities, and inappropriately designed space, limiting their ability to focus resources on the communities that they serve. As such, City support for securing multi-tenant, flexibly-designed, affordable, and accessible space is essential to retaining non-profits within Vancouver.

2. The Need for Services and Supports for Sex Workers and Community Safety

The importance of organizations that prioritize community safety is essential for healthy communities, particularly in ensuring that more vulnerable groups have access to resources. The tragedy of the Missing and Murdered Indigenous Women and Girls from the Downtown Eastside was the catalyst for developing new approaches to improve sex workers' health and safety in Vancouver. The 2010 Missing Women Commission of Inquiry (MWCI) was established to examine the shortcomings in policing and justice systems in the investigations of 67 women who went missing or were murdered from 1978-2002. The City's commitment to address the complex health and safety needs of individuals engaged in sex work is demonstrated by the work of the City's Task Force on Sex Work and Sexual Exploitation, its 2011 comprehensive action plan and response to the recommendations of the MWCI report

Many immigrant and migrant sex workers experience intersecting social and structural inequities such as gender, economic marginalization, language barriers, discrimination, and racialization. Due to the fear of arrest, detention or deportation, they are unlikely

to report abuses or unsafe working conditions. The City relies on SWAN, who employs a multilingual and multicultural outreach team with extensive sex work community experience, to improve access to essential health and social services and reduce conditions of isolation for a population of sex workers who have been historically underserved.

3. Supporting Women’s Alternatives Network (SWAN Vancouver) Society

SWAN is the only Vancouver-based sex work organization that focusses solely on indoor sex work with some of the most marginalized women, including newcomer, migrant, immigrant, and transgender women. SWAN advocates for sex worker’s rights by providing advocacy and services such as for over 500 women through their outreach services and drop-in centres. The City and Vancouver Police Department rely closely with SWAN as partners to ensure the dignity, safety, and health of indoor sex workers.

SWAN currently shares a space with the Vancouver Status of Women located at 2625 East Hastings Street, but are confronted with rising rental costs, which greatly hinder their ability to direct their attention towards valuable programs. As an expanding non-profit that has grown from exclusively volunteer-led to an established non-profit, a new facility would offer greater affordability, higher quality space, safe and secure facilities for staff and volunteers, and an improved location.

4. General Lease Terms

Staff are recommending SWAN as the successful applicant for the 580 square foot portion on the first floor of the remaining space in the social service centre component of the Building. SWAN has demonstrated a high need for affordable space that would strongly benefit their social programs and services. Providing affordable space will allow this organization to better direct their resources on programs and services for the community.

Table 1 below describes the space allocation amongst the nonprofit organizations.

Floor	Positive Living BC	AIDS Vancouver	SWAN	Future Fourth Non-profit	Common Area	Total Square Feet
1	508	798	580		1,330	3,216
2	816	3,985			1,302	6,103
3	3,383			1,654	1,176	6,213
4	4,543				1,195	5,738
TOTAL	9,250	4,783	580	1,654	5,003 & parking, loading, end-of-trip, bikes	21,270

Staff have developed lease terms for SWAN that are similar to other social non-profits in new City facilities. This includes nominal rent, which is considered a City subsidy of approximately \$21,000 per annum for SWAN, based on the first year of the term.

Staff recommends an initial five-year lease term with one five-year renewal option that is conditional on a positive service review in the fifth year of the initial term. Summary of lease terms for the SWAN Lease are listed in Table 2 below:

Table 2 - SWAN's Lease Terms (see Appendix C):	
Tenant	Supporting Women's Alternatives Network (SWAN Vancouver) Society
Term	Five (5) years with one (1) option to renew for a further five (5) year term.
Commencement	July 1, 2017 (estimated)
Tenant Improvements	Premises are provided "As Is Where Is."
Premises	580 square feet on the ground floor as shown in pink in Appendix C.
Basic Rent	Nominal Basic Rent of \$10.00 for the Term, but the Tenant will contribute its proportionate share of operating costs.
Use	Institutional Use limited to Social Service Centre and permissible ancillary uses.
Insurance	Not less than Two Million Dollars (Commercial General Liability).
Public Service Objectives	The Tenant shall operate the Premises for the benefit of the citizens of Vancouver and the advancement of social services in Vancouver.
Early Termination	The tenant may terminate the Lease upon 180 days written notice to the Landlord.

Implications/Related Issues/Risk (if applicable)

Financial

Staff are recommending that basic rent be set at a nominal rate of \$10 per Term for SWAN. Nominal rent is considered a grant based on the fair market value (FMV) of the Lease. The FMV results in a grant of approximately \$21,000 per annum for SWAN based on the first year of the lease term.

To be consistent with other City-funded non-profits SWAN would need to contribute its proportionate share of operating and maintenance costs for the Building, currently estimated at \$4,930 per annum.

CONCLUSION

The 2013 Public Hearings approved \$7.03 M of the negotiated Community Amenity Contribution to be an on-site social service centre at 1101 Seymour Street to be owned by the City as part of the Capital Asset portfolio. This report seeks Council authority to enter into a lease agreement with SWAN as the operator of a portion of the Centre on the terms and conditions described in this report. The lease includes a form of rental subsidy as deemed appropriate based on the level of City support of social nonprofit organizations in City facilities and the City's approach to ensuring that community amenities provide community benefits.

APPLICATION FOR CITY-OWNED SPACE WITHIN A
SOCIAL SERVICE CENTRE AT 1107 SEYMOUR STREET

Intent:

The City of Vancouver is undertaking a process to select a non-profit organization to operate space and provide social programs in a City-owned social service centre at 1107 Seymour Street.

Background:

In May 2013, City Council approved 22,425 square feet (gross) of space intended for non-profit organization(s) to program. This space will be leased to non-profit organization(s) that deliver programs and services that support the community and advance City priorities.

City Council has already committed space to two non-profit organizations, Positive Living BC and AIDS Vancouver, within the new facility. As such, PLBC and AV will operate a portion of the space and a third non-profit organization, selected through this process, will operate the remaining space.

The total space is 2,234 square feet (gross) which is made up of 580 square feet (gross) on the ground floor and 1,654 square feet (gross) on the third floor. Applicants are encouraged to apply for all or a portion of the space; the applicant(s) must describe how they intend to program the 580 sq ft on the ground floor and/or the 1654 sq ft on the third floor.

Description of Space:

Location: 1107 Seymour Street

Building Description: A shared, fully finished social service centre in a new LEED Gold building. The full social service centre is 22,425 square feet and distributed across floors one through four.

Available Dedicated Private Space: A total of 2,234 square feet (gross) includes 580 square feet (gross) on the ground floor and 1,654 square feet (gross) on the third floor.

Shared Space: The loading bay, garbage/recycling, emergency exit stairways, end-of-trip cycling facilities, washrooms and hallway circulation are all shared.

Please see separate attachment for draft floorplans (subject to adjustments)

Other information

Application Close Date: February 27, 2017 at 4pm

General Lease Terms: Subject to Council approval, staff will enter into lease terms with a non-profit organization.

Available Space: Applicant may apply for the full 2,234 square feet, or one of the 1654 square feet (3rd floor) or 580 square feet (ground floor) spaces.

Expected Operational Costs: Subject to Council approval, the non-profit organization will receive below-market rent and will be responsible for a proportionate share of utilities and common area costs, routine and preventative maintenance (not capital life cycle), and day-to-day operations and repairs.

Expected Move-In Date: July 1st, 2017 (date is approximate and subject to adjustment).

Requirements and Evaluation:

Staff will evaluate the non-profit organization's ability to demonstrate following requirements and priorities:

(a) Organizational Structure and Status:

- (i) Be a registered non-profit society in good standing with the BC Registry Services with an active governing body composed of volunteers, and with by-laws that must include provisions that no board director can be remunerated for being a director and staff members cannot be voting members of the board or executive;
- (ii) Have a proven local track record of efficiency, effectiveness and stability as a non-profit society;
- (iii) Possess strong governance and a demonstrated ability to uphold lease terms, and demonstrated financial and organizational capacity for managing operational costs, infrastructure and tenant improvements;
- (iv) Must not exclude anyone by reason of religion, ethnicity, gender, age, sexual orientation, language, disability or income;
- (v) Adhere to the BC Human Rights Code and the BC Labour Code as amended from time to time, and as outlined in the City of Vancouver's Supplier Code of Conduct;
- (vi) Be registered and in good standing with WorkSafeBC (www.worksafebc.ca);

(b) Administrative Capacity:

- (i) Maintain and provide adequate financial records for its program operations upon request of the City;
- (ii) Ability to generate revenue from diverse sources as may be required to sustain operations;
- (iii) Maintain its social service operating and programming expenses in a way that is financially viable and sustainable;

(c) Organizational Programming and Service Delivery:

- (i) Have demonstrated success operating similar types of facilities and programs;
- (ii) Capability and experience to efficiently and effectively provide community benefits for residents of Downtown and Vancouver in general;
- (iii) Capacity to identify and deliver a range of community and social services that will advance City priorities, and meet the needs of the local community;
- (iv) Support inclusive, affordable, and accessible capacity-building programs and services for vulnerable populations, such as isolated seniors, newcomers, immigrants, refugees, First Nations and urban Aboriginal community, at-risk youth, and low income families, amongst others;

- (v) Implement processes for setting standards and evaluating the quality of the services and programs being provided;
- (vi) Compatibility with the programs and services offered by Positive Living BC and AIDS Vancouver.

(d) Community Collaboration and Partnerships:

- (i) Provide services in the neighbourhood where the program will be implemented, and establish partnerships and links to existing services; and
- (ii) Maintain positive and collaborative relationships with the community, City and other levels of government;
- (iii) Implement and maintain sustainable waste management practices for the operation of the facility.

(e) Financial Requirements:

Provide social programs while maintaining long-term financial sustainability pursuant to the following financing terms, which are subject to Council approval:

- (i) Initial lease term of five (5) years, with the option to extend at the end of the initial term for two successive 5-year terms; and
- (ii) A nominal lease rate of \$10.00 fixed for the effective term of the lease.

The Proponent will be required to pay for:

- (i) Utilities, a security system for the facility, minor maintenance services, janitorial, operating program, service delivery costs and any other items indicated as the responsibility of the NPO in a Service Level Agreement;
- (ii) The costs of any programs and services, including the costs of administration of such programs and services, which it provides to third parties.

Questions for Applicant:

The responses to the following questions will assist in informing the selection of the successful applicant.

1. **Organization's Purpose and Program/Facility Needs:**
 - A) Please briefly describe your organization's purpose and goals and how they advance City priorities.
 - B) Please describe the type of services and programs that your organization will deliver at 1107 Seymour Street.
 - C) Describe how you intend to program the space. Indicate if you're interested in the 580 sq ft on the ground floor and/or the 1654 sq ft on the third floor.

-
- D) Please briefly describe the population groups with whom you deliver programs and services to (e.g., youth, seniors, immigrants and refugees, etc.).
- E) What is the catchment area that your programs reach (e.g., neighbourhood-level, city-level)?
- 2. Organizational Capacity:**
- A) Please provide details of organizational governance and the capacity to achieve your purpose and goals (eg. list of Board of Directors, their length of term and area of expertise, a profile of the Executive Director, a list of staff, Strategic Plan (if applicable), annual report (if available)).
- 3. Organizations' Financial Capacity:**
- A) Please explain the organization's financial readiness to program and operate the space in the social service centre. Please include a full proposed operating budget for the space in the social service centre including all costs associated with programs and operating costs as well as sources of funding. Please indicate if sources of funding are already secured, in process, or to be applied for.
- B) Please include 2015 and 2016 audited financial statements.
- 4. Readiness:**
- A) Move-in date is expected to be July 2017. Please describe how the organization will be financially and organizationally ready for the space at that time.
- B) Will the organization have Board of Directors approval in advance of the move-in date?
- 5. Co-location and Compatibility with Positive Living BC and AIDS Vancouver:**
- A) Please describe how your programming will be compatible with the programs and services offered by Positive Living BC and AIDS Vancouver.
- 7. Programming Partnerships:**
- A) Please identify other local, regional or national partners that your organization connects with for programs and services. Please describe what the partnership consists of, and the results of these partnerships.
