Subject: Support for Rezoning Application - 478-496 West 48th Avenue

Hello,

I am writing to give my support for the project being proposed at West 48th and Cambie.

I am a current student at Langara College and learning of this rental project is very exciting for myself, and a lot of my friends. This project will provide students and myself with another option to rent and live near school. There are very few opportunities to currently do so, and definitely not secured rental which gives us peace of mind while renting. It also looks like the project will have many options for unit mix which is great as I know many older students at Langara that have families but cannot own or rent near school. I am currently unaware if the apartment I live in will still be available during the summer semester, causing a lot of anxiety. I also really like the potential for the commercial space and hopefully it'll be a cafe, which we desperately need in that area and a personal favourite. Standing in line, waiting for the bus would be a lot better! Please support this project and bring rental to Langara!

Thank you again,

Brooks Van Stavel

Hello,

This email represents my support for the rental project at 478-496 West 48th Avenue. I'm a student at Langara College and have been constantly looking for rental options near the school. It has been harder and harder to find so I am very supportive of any new rental being built nearby. We need this badly and it provides peace of mind knowing we won't ever get evicted because of a sale. Thank you for getting this project going. We are all very supportive and happy to know this project is coming. Please support it.

Best regards,

Placide Mountali
