Proposed development: 8378 -8432 Oak Street

To Whom it may concern;

My name is Leeza Looned, as a resident of the Marpole Community, I'm writing in support of the development proposed at 8378 - 8432 Oak Street. Not only will this development help with our City's significant housing shortage but it will also assist with revitalizing the neighborhood. The architectural design of this proposed development is very attractive and will help bring beauty back to the Marpole Community!

Overall, I fully support this project, and should there be any questions, please do not hesitate to contact me.

Thank you in anticipation.

**Subject:** 8378 - 8432 Oak St

Hello;

My name is Erik Schweiz and I am a resident of Marpole. I am writing in full support of the 8378 - 8432 Oak St. development. The Marpole community and Vancouver as a whole suffers from a lack of housing. Developments such as 8378 - 8432 Oak St. offer a solution to this problem. Currently this section of Oak Street is lined with aged single family homes and many of them are in poor condition. The design of the proposed development is also very appealing and will make the area more vibrant.

Thank you.

Regards,

**Erik Schweiz**
