SUBJECT : A Non-Motorized Boating Facility in Northeast False Creek

Dear Mayor and Council,

Please be advised that the Park Board, at its Regular Board Meeting on January 29, 2018, passed the following motion:

- A. THAT the Vancouver Board of Parks and Recreation reaffirms their support of the development of a non-motorized boating facility to serve to the benefit of the community, confirming a non-motorized boating facility should be included as a priority for the Northeast False Creek Area; and
- B. FURTHER THAT the Vancouver Park Board be fully informed of all City of Vancouver initiatives that are of consequence to the Vancouver Park Board and the paddling community in False Creek.

A link to the full [final motion with preamble is available here](#).

Regards,
