To the Mayor and Council of the City of Vancouver,

I am writing regarding my support for 3281-3295 East 22nd Avenue. This project is in a great location and I'd love to live there someday. I work by the proposed development site, near VCC-Clark - easy commuting distance via Skytrain.

This project is worth your support for a number of reasons including the following:

- I would like to move to Renfrew Heights someday, and that will be easier if there are more homes there
- I want my friends and family to be able to live in Renfrew Heights, and they won't be able to do that if there aren't enough homes
- This project will make Renfrew Heights a more vibrant, exciting neighbourhood
- Central, walkable neighbourhoods like this are the best places to build more homes
- If we want people to use public transit, we need to let them live near it
- We desperately need more rental homes in Vancouver

I would also like to see the following if possible:

- I'm disappointed that the project doesn't have even more units
- The land should already be zoned to allow homes like this, no rezoning required
- MORE PET FRIENDLY RENTAL BUILDINGS!!!!

In short, council should approve this project.

Sincerely yours,
Jennifer Bradshaw

Mayor and Council,

I am writing to express my support for 3281-3295 East 22nd Avenue. The project is close to my home in Renfrew Heights. The project is close to work for me. Some of my friends and family live in Renfrew Heights, and I want the best for them.

This project is worth your support for the following reasons:

- If there are more homes like this, it's less likely that I will be priced out of the area
- I want my friends and family to be able to live in Renfrew Heights, and they won't be able to do that if there aren't enough homes
- This project will make Renfrew Heights a more vibrant, exciting neighbourhood
- Central, walkable neighbourhoods like this are the best places to build more homes
- If we want people to use public transit, we need to let them live near it
- We desperately need more rental homes in Vancouver

3281-3295 East 22nd Avenue deserves to be approved, but some things could be improved:

- I believe the neighbourhood, the city, and the region, would benefit if the project was allowed to include even more units.
- It's disappointing that a project like this requires a rezoning
- Continuing to insist on so many parking spots increases costs. Many people in this rental will choose other forms of transportation.

Respectfully yours,
Anne V

Dear Mayor and Council,

This email is about 3281-3295 East 22nd Avenue, which I support. I have family and friends in Renfrew Heights.

This development is good for Vancouver for the following reasons:

- I want my friends and family to be able to live in Renfrew Heights, and they won't be able to do that if there aren't enough homes
- This project will make Renfrew Heights a more vibrant, exciting neighbourhood
- Central, walkable neighbourhoods like this are the best places to build more homes
- If we want people to use public transit, we need to let them live near it
- We desperately need more rental homes in Vancouver

Of course in an ideal world, things would be a little different:

- The project could have more family-friendly units

Sincerely,
J.R. Boos
