Re: Hotel Policy

Thank you for providing the interesting report.
The residential character of area L1 is very important to me.

I appreciate the work on income diversity, amenities for children, space for pets, small stores, and I understand the need for the new furnished apartments for short 1 month rentals in the area.

I do not think even a boutique hotel would help the area. The small hotels quite nearby provide a different milieu. Please let area L1 strengthen its still fragile residential character.

Respectfully,
Lee Bryant
