## MEMORANDUM

September 8, 2004

**TO:** Mayor and Council

**CC:** Judy Rogers, City Manager  
Jacquie Forbes-Roberts, General Manager of Community Services  
Syd Baxter, City Clerk

**FROM:** Larry Beasley, Director of Current Planning

**SUBJECT:** Downtown South Development Cost Levy Report (RTS 04233)  
Minor Correction to Map Insert

---

I would like to draw your attention to a small error in the report to the September 16<sup>th</sup> Standing Committee on City Services and Budgets entitled "Downtown South Development Cost Levy: Rate Update". The report requires a correction to the map on page 3. The map in the report incorrectly indicates the Development Cost Levy (DCL) boundary includes an additional half block at the 1300 block of Homer (bounded by Pacific Boulevard and Drake Street). The attached map has been amended to reflect the correct DCL boundary.
