27	End Legislated Poverty - ELP Organizer	0	44,900	33,996	This organization's functioning was severely curtailed by the Province's decision to terminate funding in 2003. Staff have recommended maintaining City funding for the past two years, but now conclude that the organization is, regrettably, no longer sustainable. No grant is recommended.
46	Kiwassa Nhd Services Assoc	69,000	120,000	59,000	
70	Philippine Women Centre of B.C.	17,848	45,000	17,500	Activity Reports are requested, due June 1 and December 1, 2005.
76	Self-Help Resource Association of BC - On-Line Self Help	0	25,000	0	The proposed service, a time-limited project in the developmental or formative stage, is one of those that is, by City Council policy, not eligible for a CS Grant.

89	Theatre for Living Soc. (Headlines Theatre)	0	20,000	16,160	<p>Within the context of available City Funding and other applications which rated higher with regards to City priorities, staff are unable to recommend a CS grant at this time. If additional City funding comes available, staff recommend a grant of \$10,000. This is a reduction from previous year's funding as this year's proposal does not include the development, with community groups, of a number of "theatre for living" projects.</p>
98	Van. Area Network of Drug Users - VANDU	0	79,794	0	<p>The proposal is not eligible for funding as it does not meet all of the eligibility criteria; specifically, the proposed activities come within the mandate of other levels of government (Health Canada); connections/collaborations have not been established with other organizations in the communities that they wish to move into; and the issues and problems, and solutions that are unique to these communities have not been identified.</p>
107	Van. Women's Health Collective Society	17,500	49,421	49,421	<p>Within the context of available City funding and other applications which rated higher with regards to City priorities, staff are recommending a six-month terminating grant, based on a comparable level of funding for similar positions funded by the City. If additional City funding comes available, staff recommend a grant of \$35,000.</p>
109	West Coast Legal & Action Fund (LEAF) - Comm Speakers	0	26,170	0	<p>The proposed service, educational workshops about the Canadian legal system, come within the jurisdiction of Justice Canada, and as such is not eligible for City funding. Also there is no clearly demonstrated link between information workshops on legal rights and the ability of participating organizations' ability to deliver their services better - this functional relationship is a requirement for Organizational Capacity Building Grants.</p>
