ADOPTION OF MINUTES

The Minutes of the Standing Committee on City Services and Budgets meeting of May 26, 2005, were adopted.

VARY AGENDA

The Committee agreed to vary the order of the Agenda in order to deal with Item 4 first. For ease of reference the items are minuted in numerical order.

RECOMMENDATION

1. **2005 "Other" Grant Request, Wildlife Rescue Association (File 2051)**

The Committee had before it an Administrative Report dated June 13, 2005, in which the General Manager of Corporate Services/Director of Finance, presented a request for funding for the Wildlife Rescue Association.

Ken Robb, Business Consultant - Corporate Services, briefly reviewed the report and, together with Janice Dickie, Executive Director, Wildlife Rescue Association of BC, responded to questions related to the funding request.

MOVED by Councillor Cadman
THAT the Committee recommend to Council

THAT Council approve a grant of \$5,000 to the Wildlife Rescue Association of British Columbia: the source of the funds for this request would be Miscellaneous Grants within the "Other" Grants category.

CARRIED UNANIMOUSLY

2. Vancouver Art Gallery - Annual Review & 2005 Operating Grant Request (File 4006)

The Committee had before it an Administrative Report dated June 13, 2005, in which the Managing Director of Cultural Services reviewed the Vancouver Art Gallery's 2005 activities and recommended approval of the Association's 2005 Operating Grant. The General Managers of Community and Corporate Services recommended approval.

Karen Hasselfelt, Cultural Planner, was available to respond to questions.

MOVED by Councillor Cadman
THAT the Committee recommend to Council

THAT Council approve a 2005 operating grant of \$2,002,400 to The Vancouver Art Gallery Association; source of funds to be the 2005 "Other" Grants budget.

CARRIED UNANIMOUSLY

3. Financing for the Redevelopment of Little Mountain Neighbourhood House (File 8020)

The Committee had before it an Administrative Report dated June 13, 2005, in which the Director of Social Planning sought Council's approval to receive a Provincial grant ear-marked for redevelopment of Little Mountain Neighbourhood House (LMNH), to secure the City's contribution to the funding required to complete the construction of the new facility and offered for Council's consideration options for increasing the Capital funding to achieve a LEED™ Gold standard of construction, and to cover unforeseen expenses related to delivery of electrical services to the site. The General Manager of Community Services recommended approval of A, B, C and D and submitted E and F for Council's consideration.

Vickie Morris, Social Planner, reviewed the report and explained the rationale for staff's recommendations. Ms. Morris, together with Larry Adams, Architect for this project, responded to questions related to electrical services on the site and construction costs.

MOVED by Councillor Louie

THAT the Committee recommend to Council

- A. THAT Council receive the contribution of \$2,000,000 from the Province of BC (Community Development Initiative Program) for the redevelopment of Little Mountain Neighbourhood House (LMNH).
- B. THAT Council approve an additional Capital Grant of \$4,865,000 to the Little Mountain Neighbourhood House Society for the construction of a new LMNH, as set out in the Administrative Report dated June 13, 2005, entitled "Financing for the Redevelopment of Little Mountain Neighbourhood House", it being agreed that no rights or obligations shall arise, and no grant funds shall be advanced to the Society until an agreement is drawn to the satisfaction of the Directors of Legal Services, Social Planning and Facilities Design and Management, documenting the obligations of the Society, including project development milestones to construct the facility, and is executed by the Director of Legal Services on behalf of the City; source of funds is:
 - i. The \$2,000,000 received from the Province of BC's Community Development Initiative;
 - ii. \$2,090,000 from borrowing authority approved by the electors for the City's share of projects that receive cost sharing from senior governments and other outside funders;
 - iii. \$150,000 from the City-wide Development Cost Levies held for child care developments; and
 - iv. \$625,000 from the proceeds of the sale of the existing facility.

This grant is subject to confirmation of approval of a \$250,000 Childcare grant from the Provincial Government.

- C. THAT Council authorize the Director of Legal Services to execute on behalf of the City a lease/operating agreement, granting to the Little Mountain Neighbourhood House Society a lease of the City premises to be built at 3867 - 3891 Main Street, legally known and described as Lot 15 and 16, Block 04, DL 630 Plan 1395, for a nominal rent commencing at the time of approval of the Occupancy Permit for a period of five years and renewable for two further five-year terms, under substantially the same terms and conditions as are contained in the draft terms appended to the Administrative Report dated June 13, 2005, entitled "Financing for the Redevelopment of Little Mountain Neighbourhood House", and on such further other terms and conditions as may be acceptable to the Directors of Legal Services, Real Estate Services and Social Planning, it being noted that no rights or obligations hereby arise or take effect pursuant to this resolution until the agreement has been executed by both the City and the Little Mountain Neighbourhood House Society.

- D. THAT Council authorize the transfer of 3981 Main Street, legally known and described as Lot B of 12 to 14, Block 05, DL 630 Plan 2546 to the Property Endowment Fund upon completion of the new facility at a transfer price of \$625,000.
- E. THAT Council approve an additional Capital Grant of \$150,000 to cover costs required for this project to move from LEED™ Silver standard to LEED™ Gold standard; source of funds to be borrowing authority approved by the electors for the City's share of projects that receive cost sharing from senior governments and other outside funders.
- F. THAT Council approve an additional Capital Grant of \$100,000 to cover the costs associated with the requirement to underground the electrical service from the lane to this site; source of funds to be borrowing authority approved by the electors for the City's share of projects that receive cost sharing from senior governments and other outside funders.

CARRIED

(Councillor Sullivan opposed to E and F)

4. 2005 Opportunity Initiatives Grant Allocation (File 2051)

The Committee had before it an Administrative Report dated June 10, 2005, in which the Managing Director of Cultural Services presented staff recommendations based on an Advisory Committee's independent analysis regarding requests for Opportunity Initiatives grants received from the Vancouver International Sculpture Biennale, PuSh International Performing Arts Festival Society and Judith Marcuse Projects Society. The General Manager of Community Services recommended approval.

Cheryl Masters, Cultural Planner, reviewed the report and explained the mandate of the independent Advisory Committee. She also advised that delegations today may wish to submit additional information regarding their applications and noted that every opportunity was given to applicants to provide additional information well in advance of the Advisory Committee meetings. She reminded Council that any new information submitted today should not impact the decision of the Advisory Committee that has been previously made.

The following spoke in support of the Vancouver International Sculpture Biennale and urged Council to approve its funding request:

Carol Henriques, Founder, Arts Umbrella
David McCann
Jennifer Palmer, Principal, Sir Charles Tupper Secondary School
Phyllis Schwartz, Curriculum Specialist/Educator, Vancouver School District
Chris Kelly, Superintendent of Schools - School District #39
Paul Larocque, Senior Director of Programming - Arts Umbrella
Katherine Tong

Gordon Price

Michella Frosch, Board Member, Arts Umbrella and Vancouver Int'l. Sculpture Biennale

Barry Mowatt, Vancouver International Sculpture Biennale (*brief distributed - on file*)

A summary of speakers' comments follows:

- urge Council to take another look at Vancouver International Sculpture Biennale's application and provide the financial support needed because in years to come this project will offer an incredible opportunity to host Vancouver as a vibrant and exciting place for others to visit;
- the last three biennales in this city have seen a lot of citizen participation - this is an opportunity to say one of our citizens has had a vision to change the landscape of this city and it is time that the City and citizens say "yes" to joining this vision;
- the Vancouver International Biennale Education Advisory Committee aims to continue involving youth in the social, cultural and environmental issues in the community; have seen large student populations from several Vancouver schools participate in community projects such as "Massive Change" with Van Art Gallery and "Drive on the Drive" with Gladstone Secondary School - these endeavours build student ownership in their community, give youth a strong voice on issues that concern them in the city and help develop informed citizens;
- as a teacher, the Vancouver International Sculpture Biennale is seen as one of the most accessible resources for learning for young people; the sculpture sites, as learning venues, are ideal for teachers - no fees to collect, complicated booking arrangements or special juggling of school time, just obtain parental permission and head for the site specific learning space;
- this is an opportunity to connect with an initiative which is putting down roots and ready to flourish in the coming year and is the whole concept of Vancouver as a learning city; have come to know the scope, nature, quality and uniqueness of this biennale as a catalyst for this learning society;
- the opportunities in the community that would result from this biennale would enrich our curriculum at Arts Umbrella; students would learn from the experience of interacting with the sculptures, with the curriculum that would be developed and would have the opportunity to have direct interface with the artists themselves;
- the Vancouver International Sculpture Biennale is implementing programs to leverage the use of technology in order to increase participation and enhance experience to celebrate this major public art festival in the city; these programs include use of cell phones which would extend the learning process beyond the classroom through the ability to obtain pre-recorded information at each sculpture site;
- thanks to Council for its commitment to public life in this city; this biennale is the right thing to do at this time in Vancouver's history, in particular for what the city is anticipating over the next few years; sculpture is as much about the space around it as it is the object itself, makes familiar places new and allows people to explore the unexpected when coming across a piece; and
- ask that Council imagine the positive impacts and benefits the Vancouver International Sculpture Biennale will bring to this city - the decision made today to endorse this visionary process will define Council's vision and belief in this city and its ability to truly refer to itself as a world class city; your leadership and financial support are essential.

Ilena Lee Cramer, Board Member/Producer - PuSh International Performing Arts Festival, spoke in support of the PuSh Festival, provided details of this project, reviewed future plans and

explained the rationale for the funding request. She encouraged Council to approve the funding request for 2005 and the commitment, in principle, to further funding support in 2006.

Camyar Chai, Freelance Actor/Writer/Director, also spoke in support of the PuSh Festival and thanked Council for acknowledging artists in this city as well as acknowledged the Advisory Committee and staff for their efforts. He described how this festival has helped his company and other artistic initiatives in this city. Mr. Chai also stressed the need for this funding request.

During the hearing of speakers, Ms. Masters, together with Sue Harvey, Managing Director of Cultural Services, Marnie Rice, Cultural Planning Assistant and Judy Rogers, City Manager, responded to questions concerning Vancouver International Sculpture Biennale's grant application, including other funding opportunities and the application review process.

MOVED by Councillor Green

THAT the Committee recommend to Council

- A. THAT Council approve 2005 Opportunity Initiatives grants totalling \$325,000 to:

PuSh International Performing Arts Festival Society: \$200,000 for the PuSh Festival;
and

Judith Marcuse Projects Society: \$125,000 for the Earth Festival.

Funding for both grants shall be SUBJECT TO the respective conditions as described in Appendix A of the Administrative Report dated June 10, 2005, entitled "2005 Opportunity Initiatives Grant Allocation". Source of funds to be the 2005 Opportunity Initiatives grants budget.
- B. THAT Council direct staff to undertake a program review of the Opportunity Initiatives program which is at the end of a three-year trial period, and to report back with options for future support mechanisms and funding in the context of the City Creative Task Force strategic planning process.
- C. THAT staff work with the applicant to identify civic, other orders of government and the business community funding opportunities in order to secure the funding needed to support Vancouver International Sculpture Biennale.

5. Employee Relations at Telus (File 5806)

Vancouver City Council, at its meeting immediately following the Standing Committee on City Services and Budgets meeting on June 16, 2005, received a request to speak on the above-noted Motion and agreed to refer it to a future Standing Committee meeting in order to hear from the speaker.

Accordingly, the Committee had before it the relevant Motion.

Sid Shniad, Research Director, Telecommunications Workers Union, provided an overview of the labour dispute, noting that over the last number of months the union has been trying to avoid a confrontation that Telus appears determined to have with the organization. Subsequently, Burnaby and North Vancouver City Councils passed similar motions recently asking the federal minister responsible to use the proper organizations and powers to prevent a confrontation. Mr. Shniad advised that this union would like to avoid a repetition of what happened in Quebec with Videotron which was a protracted dispute that had a tremendous negative fall-out and asked that Council pass a resolution similar to those passed by the other municipalities.

MOVED by Councillor Roberts
THAT the Committee recommend to Council

THEREFORE BE IT RESOLVED

1. THAT Vancouver City Council communicate its concerns to politicians that have a relationship with the Telus labour dispute that a protracted dispute in this area will have major impacts on the citizens of Vancouver; and
2. THAT Vancouver City Council urge the parties to resolve their labour dispute in order to maintain both industrial peace and high quality telecommunications service.

CARRIED
(Councillors Ladner and Sullivan opposed)

6. Grow Busters Program (File 3701)

Vancouver City Council, at its meeting on June 28, 2005, received a request to speak on this matter and agreed to refer consideration to the Standing Committee on City Services and Budgets meeting on June 30, 2005, in order to hear from the speaker.

Accordingly, the Committee had before it an Administrative Report dated April 26, 2005, in which the Chief Building Official and Assistant Director, Licencing and Inspections, in consultation with the Vancouver Police Department, Vancouver Fire & Rescue and Legal Services, reviewed the success of the Grow Busters program to date and recommended that the program be approved on a permanent basis. The General Manager of Community Services recommended approval.

Carlene Robbins, Manager, By-law Administration, briefly reviewed the report and responded to questions concerning the timing of this request, budget issues, permit fees and policing costs.

Kirk Tousaw, BC Marijuana Party, spoke against staff's recommendation to continue the Grow Busters Program, noting the program, despite the hard work of those involved, has not been successful at either achieving any substantial reduction in the number of grow ops in the city or making the public any safer. He added that there is nothing dangerous in growing marijuana as it is just like any other crop; however, it is the prohibition that creates the dangers such as

electrical theft, risk of fire, mold, etc. If properly understood, this program is part and partial of a policy approach that creates the problems that it is designed to combat. He suggested the City take the Dutch approach and turn a blind eye to marijuana.

Ms. Robbins, together with Inspector Dave Nelmes, Police Services, Dave Jackson, Chief Building Official and Co-Director of Licencing & Inspections, Barb Windsor, Deputy Chief License Inspector, and Jacquie Forbes-Roberts, General Manager of Community Services, responded to questions regarding the program, including its effectiveness in reducing grow ops, issues related to electrical theft, and whether staff could create a by-law to restrict or prohibit businesses from selling products designed for grow ops.

MOVED by Councillor Louie

THAT the Committee recommend to Council

- A. THAT the Grow Busters Program be approved as an ongoing program as described in the Administrative Report dated April 26, 2005, entitled "Grow Busters Program".
- B. THAT the following temporary staff positions be converted to regular full-time (the classifications of which will be subject to review by Human Resources):
 - District Electrical Inspectors (3)
 - District Building Inspector
 - District Plumbing/Gas Inspector
 - District Property Use Inspector
 - Fire Prevention Officer
 - Clerk III.
- C. THAT Council approve a Grow Busters Program Operating Budget estimated to be \$622,200 for fiscal 2006 to be fully offset by related permit revenues and penalties generated by the program. Salary and fringe benefits are estimated at \$535,400 (\$455,500 - CSG, \$79,900 - Fire Department) and program costs estimated at \$86,800 (Truck, Supplies, Health and Safety Equipment, Auto Allowance, Travel and Training).
- D. THAT Council authorize the Director of Legal Services and Assistant Director, Licencing and Inspections, to prepare and bring forward a report on a by-law to restrict or prohibit businesses from selling equipment, including electrical equipment and venting materials, chemicals and fertilizers, supplies and/or merchandise which is designed, intended to be used or capable of being used for the purpose of setting up and maintaining a marijuana grow operation.

- C. There are no similar formalized standards for the training, deployment and validation of security guard dogs in the Province of British Columbia, the capability, degree of force and obedience of security guard dogs may be called into question in the following instances:
 - When security guard dogs and their handlers attend to police incidents requiring the possible deployment of police dogs;
 - When the deployment of security guard dogs compromises public safety on both private and public property; and
 - When the deployment of a security guard dog results in a court decision that may compromise existing Provincial police dog training standards and deployment; and
- D. To resolve the problems with security guard dogs, formal province-wide training standards similar to those for police service dogs are required; and
- E. Establishing such training standards for security guard dogs requires legislative action from the Provincial Government.

THEREFORE BE IT RESOLVED

THAT the City of Vancouver urge the Provincial Government to act as quickly as possible to establish and enact appropriate guidelines, standards and validation processes for security guard dogs that will ensure all dogs used for security purposes have at least a standard basic level of training and that effective monitoring and enforcement measures are in place to ensure that these province-wide training standards are strictly adhered to by all licensed security companies in the Province; and

FURTHER THAT this motion be forwarded to the Union of British Columbia Municipalities for endorsement.
