SUBJECT: CD-1 Rezoning - 898 Seymour Street and 887-897 Richards Street

Staff recently determined that the referral report for the above item contained an incorrect address and legal description. The correct reference should be **898 Seymour Street and 887-897 Richards Street (Lots 14-27, Block 64, DL 541, Plan LMP 210)**, thereby deleting the reference to 872 Seymour Street (Lot 13).

Please note the posted by-laws and the Public Hearing agenda package, with the exception of the pink referral report, contain the corrected address and legal description.
