CITY CLERK'S OFFICE: Nicole Ludwig, Meeting Coordinator

*Denotes absence for a portion of the meeting.

ADOPTION OF MINUTES

The Minutes of the Standing Committee on Planning and Environment meeting of December 15, 2005, were adopted as amended at the Regular Council Meeting on January 17, 2006.

RECOMMENDATION

- 1. 608 West Pender Street (515 Seymour Street) - Clarence Hotel Ltd., Liquor Primary Liquor License Application for an Increase in Patron Capacity (File 11-4600-50)**

The Committee had before it an Administrative Report dated January 3, 2006, in which the Chief License Inspector, sought, on behalf of Clarence Hotel Ltd., a Council resolution endorsing their application for an increase in patron capacity to their existing Liquor Primary liquor license from 120 seats to 150 seats via the conversion of 30 seats from the existing Food Primary liquor license at the Clarence Hotel located at 608 West Pender Street (515 Seymour Street).

MOVED by Councillor Louie
THAT the Committee recommend to Council

THAT Council, having considered the opinions of area residents and business operators notified by an on-site sign and flyers, the proximity of residential developments, noise impacts and relevant city policy as outlined in the Administrative Report dated January 3, 2006, entitled "608 West Pender Street (515 Seymour Street) - Clarence Hotel Ltd., Liquor Primary Liquor License Application for an Increase in Patron Capacity", endorse the request by Clarence Hotel Ltd. for an increase in patron capacity for the Liquor Primary Liquor License (License #001748) from 120 seats to 150 seats at The Clarence Hotel, 608 West Pender Street (515 Seymour Street), subject to:

- i. Adhering to clean air practices;
- ii. Signing a Good Neighbour Agreement with the City; and
- iii. A Time-limited Development Permit.

CARRIED UNANIMOUSLY
(Councillor Cadman absent for the vote)

2. 2936 West 4th Avenue - Report Back on Heritage Retention Through Transfer of Density (File 11-2800-01)

The Committee had before it an Administrative Report dated January 5, 2006, in which the Director of Current Planning presented Council with staff conclusions on using transfer of density to retain the building at 2936 West 4th Avenue.

Gerry McGeough, Senior Heritage Planner, reviewed the report, and noted potential alternatives to the recommendation contained in the report. Mr. McGeough, along with Larry Beasley, Director of Current Planning, responded to questions regarding

- public process and consultation;
- impact on the neighbourhood of keeping density on site;
- use of density transfer as compensation;
- the possibility of transferring the building to another site;
- if there is a registry for receiver sites; and
- legal and financial risks.

Messrs. Beasley and McGeough also indicated the developer had been very patient and helpful with the process thus far.

The following delegations noted some concerns with the proposal:

- Leo Cooper
- Marcus Kennedy

Their comments included:

- heritage fits with other issues that concern the City;
- requested the design be sent back to drawing board and include heritage, affordable housing and sustainability in the redevelopment;
- concerned about proposed height of the building; and,
- suggested the City maintain a list of donor sites available to save heritage buildings, noting people might be interested if they knew about this possibility.

Kal Bachra, Orca Bay Developments, explained the process to date, indicated he would not have bought the site if he knew it there would be heritage issues, noted he was willing to cooperate fully in the process and wished to move the process along.

MOVED by Councillor Cadman
THAT the Committee recommend to Council

THAT Council advise the Director of Planning to proceed with the processing of Development Application DE409471 for 2936 West 4th Avenue.

CARRIED UNANIMOUSLY

3. Proposed Amendment to Subdivision By-law No. 5208 - Reclassification of the Properties at 3111, 3137, 3161 and 3187 West 43rd Avenue (File 11-3400-04)

The Committee had before it an Administrative Report dated December 13, 2005, in which the Subdivision Approving Officer addressed a proposal to reclassify the properties at 3111, 3137, 3161 and 3187 West 43rd Avenue (Lots 45, 46, 47 and 48) From Category D to Category A for the purpose of subdivision in accordance with the minimum parcel size requirements of Schedule A, Table 1, of the Subdivision By-law.

Rick Scobie, Subdivision Approving Officer, explained the process for subdivision amendment, reviewed the report, and responded to questions regarding:

- demolition of existing homes prior to subdivision;
- concerns regarding lanes, parking and safety;
- provincial legislation and the role of the Subdivision Approving Officer;
- public consultation; and,
- why this issue is being addressed separately from other rezonings in the area.

The following delegations spoke in support of the recommendations in the report:

- Mark Holman
- Bill Vance

Their comments included:

- the lane is a separate issue;
- subdivision should be permitted as it will result in smaller homes that would fit in the neighbourhood and eventually lead to a more pristine, uniform block; and,
- subdivision will help with the high cost of housing.

Dick Hibbard noted concerns with the proposal, including:

- this issue and the rezoning of Crofton House School should be dealt with together;
- lanes are needed between 42nd Street and 43rd Street; and,
- Balaclava Street is too complicated and narrow - parking is a problem, particularly when people are dropping their children off at school.

MOVED by Councillor Deal

THAT the Committee recommend to Council

- A. THAT Council approve the application to reclassify the properties at 3111, 3137, 3161 and 3187 West 43rd Avenue from Category D to Category A of Schedule A, Table 1, of Subdivision By-law No. 5208.
- B. THAT the Director of Legal Services be instructed to prepare the necessary by-law to amend the Subdivision By-law implementing the required changes.

CARRIED UNANIMOUSLY

Staff agreed to provide a memorandum regarding Engineering's process for community involvement.

4. Vancouver City Planning Commission (VCPC) Funding (File 05-5000-10)

At the Regular Council meeting on January 17, 2006, when considering the Administrative Report dated December 6, 2005, entitled "2006 Advance Grant Instalments - Major Exhibiting Institutions & City Planning Commission", Vancouver City Council postponed consideration of the following motion by Councillor Ladner to the Standing Committee on Planning and Environment meeting on January 19, 2006, so representatives from the Vancouver City Planning Commission (VCPC) could speak to Council:

THAT monthly instalments, based on 2005 funding levels, be made to the Vancouver Planning Commission at an amount sufficient to cover the manager's costs only, not programming costs. Source of funds is the "Other" Grants budget.

Note from Meeting Coordinator: Appointment of incumbents to the VCPC was dealt with at the Regular Council meeting on January 17, 2006.

Marta Farevaag, Vice-Chair of the VCPC, spoke in favour of the motion, noting:

- the VCPC supports Council initiative to review the advisory process;
- VCPC is concerned with its quorum;
- explained funding and mandate of VCPC; and,
- overview of recent VCPC activities.

Ms. Farevaag responded to questions regarding the role of VCPC staff, partnerships with outside organizations, whether a lack of funding will interfere with any upcoming events, and the kind of planning the VCPC does for the City.

The City Manager responded to questions regarding the amount of money that would be lost without interim funding.

Councillor Ladner requested Council permission to withdraw his previous motion. Council agreed.

MOVED by Councillor Ladner
THAT the Committee recommend to Council

THAT monthly instalments, based on 2005 funding levels, be made to the following organization beginning January 2006, in advance of consideration of this organization's individual 2006 Operating Grant requests:

Vancouver Planning Commission	\$9,350
-------------------------------	---------

CARRIED UNANIMOUSLY

The Committee adjourned at 4:57p.m.

2. **Parking Stall Tax (File 05-4200-17)**

MOVER: Councillor Louie

SECONDER: Councillor Stevenson

The following Motion was submitted by Councillor Louie at the Regular Council meeting on January 17, 2006. Mayor Sullivan called Notice under Section 5.4(c) of the Procedure By-law.

WHEREAS:

1. Some businesses are seeking a reduction or elimination of the Translink parking stall tax.
2. This tax is designed to fund crucial transportation infrastructure investments across the region without posing a further burden to property taxpayers or transit riders.
3. The tax would produce greater equity for Vancouver businesses, which already pay a sales tax on parking, with their suburban competitors, which paid no tax;

THEREFORE BE IT RESOLVED that this council reiterate its support for Translink's current three-year investment program and the financial measures, including the stall tax, which fund it.

not put

POSTPONEMENT MOVED by Councillor Ball

THAT this item be postponed to the regular Council meeting on January 31, 2006, in order for the new Councillors, particularly those who are TransLink Directors, to acquire additional information on TransLink, and for Council to hear from TransLink about the parking stall tax.
