#### **CITY MANAGER'S COMMENTS**

The City Manager RECOMMENDS approval of the foregoing.

#### **COUNCIL POLICY**

Council uses the Street Name By-Law, No. 4054, to name and regulate public roads in the City of Vancouver. The Street Naming Committee, a staff team, is chaired by the City Clerk, and comprised of the Archivist, City Surveyor, representatives of the Planning, Licenses & Inspections, and Fire & Rescue Services Departments. The Committee is responsible for the management of a consistent, integrated and duplication-free street name system.

#### **PURPOSE**

The report seeks Council approval for naming an extension of a public street as *Canada Place*.

### *DISCUSSION*

On May 28, 2002, Vancouver City Council approved the Administrative Report "Proposed Closure of Portions of Burrard Place and Thurlow Street" dated May 1, 2002, and, further to a recommendation in that report, on September 10, 2002, resolved to establish as road the extension of Canada Place, as shown on the sketch attached as Appendix A.

On January 31, 2003, the Street Naming Committee approved that the extension of the street Canada Place, between Thurlow and Burrard Streets, continue under the name "Canada Place". At that same meeting, the Committee agreed that the street name not be forwarded to Vancouver City Council for approval pending clarification of the final development form and resulting subdivision.

On February 12, 2009, the Street Naming Committee agreed that the outstanding issues have been resolved, and therefore the extension of the street Canada Place between Burrard and Thurlow Streets, is recommended to be named "Canada Place".

### *CONCLUSION*

The Street Naming Committee recommends Council approve the name of the street extension as *Canada Place*.
