1. Inderjit Sekhon (the "Appellant")
2009 Chauffeur's Permit

THAT the cancellation by the Chief Constable of the Chauffeur's Permit issued to Inderjit Singh Sekhon (the "Appellant") be upheld as the Appellant is unfit to act as a chauffeur because of his history of engaging in activity which may put the public at undue risk and which is related to his employment as a chauffeur, and the resulting concern that the Appellant will use his employment as an opportunity to engage in this activity.
