## GENERAL MANAGER'S COMMENTS

The General Manager of Community Services RECOMMENDS approval of the foregoing.

## COUNCIL POLICY

There is no applicable Council Policy.

## PURPOSE AND SUMMARY

This report recommends a number of miscellaneous text amendments to the Zoning and Development By-law, CD-1 #448 (By-law No. 9193) for 2950 Celtic Avenue, the Burrard Slopes IC Districts Interim Rezoning Policies and Guidelines, the Protection of Trees By-law, and the Shaughnessy Hospital and Surrounding RS-1 Rezoning Policies. The amendments achieve the intent of earlier rezonings and correct inadvertent errors.

## DISCUSSION

From time to time, Council has approved packages of miscellaneous text amendments intended to fix typographical or inadvertent errors, and to provide clarity for the public and staff in the interpretation of by-laws and guidelines. Proposed amendments that are substantive in nature are not included in these packages, but are reported separately. The last package of miscellaneous text amendments was enacted by Council in June 2009.

The following is an explanation and description of the proposed amendments that require a Public Hearing. The draft by-law wording for each is contained in Appendix A.

### Zoning and Development By-law – Section 2 Definitions

- On March 3, 2009, Council enacted a by-law to amend the definition of “Fitness Centre” and to make consequential changes to the Zoning and Development By-law. Staff has since determined that it would be necessary to remove references to “Personal Training Centre” in the definitions for “Beauty and Wellness Centre” and “Health Enhancement Centre” to reflect the amendments to the definition for “Fitness Centre” and to achieve consistency in the Zoning and Development By-law.

### CD-1 #448 (By-law No. 9193) for 2950 Celtic Avenue

- On June 16, 2009, Council enacted a by-law to amend the CD-1 By-law for this site. The floor space exclusion inadvertently omitted exclusions to areas of floor existing, proposed, or as may be extended over open-to-below space located directly below space located directly below sloping roof rafters or sloped ceilings. The proposed amendment would be consistent with the approved Celtic Avenue CD-1 (no. 448) Design Guidelines and achieve the intent of the earlier Council decision.

The following is an explanation and description of the proposed amendments that can be approved without a Public Hearing. The draft by-law wording for each is contained in Appendix B.

#### **Burrard Slopes IC Districts Interim Rezoning Policies and Guidelines**

- On March 3, 2009, Council enacted a by-law to amend the definition of “Fitness Centre” and to make consequential changes to the Zoning and Development By-law. Staff has since determined that it would be necessary to amend the reference to “Fitness Centre” use in the Burrard Slopes IC Districts Interim Rezoning Policies and Guidelines to reflect the recent change to the IC-1/2 District Schedule that conditionally allows “Fitness Centre” use. The proposed amendment would remove “Fitness Centre” use from “Compatible” in the “Not Permitted in IC-1/2” column and would insert “Compatible” in the “Conditional” column. This amendment would achieve the intent of the earlier Council decision.

#### **Protection of Trees By-law (By-law No. 9958)**

- On December 1, 2009, Council enacted the Protection of Trees By-law to provide for the retention, replacement and maintenance of trees on private property. It has since been determined that the new by-law is inconsistent with the Zoning and Development By-law. This amendment would bring the Protection of Trees By-law into conformity with the Zoning and Development By-law and would maintain the status of absolute liability offence.

#### **Shaughnessy Hospital and Surrounding RS-1 Rezoning Policies**

- On February 20, and May 15, 1979, Council adopted the Shaughnessy Hospital and Surrounding RS-1 Rezoning Policies. These Policies were reaffirmed by Council on March 9, 1982 and on April 17, 1984. In the Policies, Council approved recommendations dealing with rezoning pressures in the RS-1 single family housing area surrounding Shaughnessy Hospital. (The British Columbia Women’s Hospital and the British Columbia Children’s Hospital occupy the Shaughnessy Hospital site today). The intent of the Shaughnessy Hospital and Surrounding RS-1 Rezoning Policies was to protect the single family residential area surrounding the hospital from institutional expansion associated with the hospital and its uses. Subsequent to this policy being adopted, there have been two Community Visions in the vicinity of the hospital precinct prepared for Riley Park/South Cambie (RPSC) on the east side of Oak Street, and for Arbutus Ridge/Kerrisdale/Shaugnessy (ARKS) on the west side of Oak Street. These two Community Visions, adopted by Council on November 1, 2005, identify areas “on or near arterial roads” as future locations for new housing types, including Oak Street and 33rd Avenue. (These directions are referenced in RPSC Vision Direction 16.6, and in ARKS Vision Direction 16.4.). Public consultation would be undertaken prior to City Council consideration of rezoning for what is permitted in the surrounding single family neighbourhoods adjacent to the hospital precinct. As the two Community Visions directions supersede the Policies, it is recommended that the Shaughnessy Hospital and Surrounding RS-1 Rezoning Policies be rescinded.

#### **FINANCIAL IMPLICATIONS**

There are no financial implications.

## CONCLUSION

This report proposes miscellaneous amendments to achieve the intent of earlier rezonings, and to correct inadvertent errors. To this end, it is recommended that the Director of Planning be instructed to make applications to amend to Section 2 of the Zoning and Development By-law and CD-1 #448 (By-law No. 9193) for 2950 Celtic Avenue and that these applications be referred to a Public Hearing and be approved. Staff also recommend the approval of amendments to the Burrard Slopes IC Districts Interim Rezoning Policies and Guidelines, the Protection of Trees By-law, and the Shaughnessy Hospital and Surrounding RS-1 Rezoning Policies
