TO: Vancouver City Council
FROM: City Manager
SUBJECT: 2010 Olympic and Paralympic Winter Games - City-Purchased Tickets

RECOMMENDATION

THAT Council receive this report for information

CITY MANAGER'S COMMENTS

The work of allocating the Olympic and Paralympic tickets purchased by the City of Vancouver was a task of significant scope. As you will see, staff allocated and coordinated the release of 1555 Olympic tickets and 534 Paralympic tickets for 142 sporting events over a 60 day period. In the end only 2 tickets went unallocated! More importantly, council will find in this report that the tickets were used judiciously to advance the city's agendas of hosting visitors and dignitaries from around the world, recognizing community involvement and contribution, and fostering economic development. The Ticket Settlement Team, the Ticket Allocation and Host Scheduling Committee, and the Ticket Request Approval Committee provided the rigour and due diligence to ensure the taxpayers of Vancouver could receive a comprehensive report on the disposition of all of our tickets. This report fulfils our commitment to transparency in this process.

COUNCIL POLICY

There is no applicable Council Policy.

PURPOSE

To report to Council on allocation of the Olympic and Paralympic event tickets purchased by the City.

BACKGROUND

At the Regular Council Meeting on March 24, 2009, Council considered the report entitled "Funding Allocation for the 2010 Host City Hosting and Protocol Program". As part of that report, staff proposed a budget and estimated the number of tickets that could be purchased should Council agree to proceed with the purchase of 2010 Olympic tickets.

Council resolved the following at that Regular Council meeting:

THAT Council authorize the General Manager of Olympic and Paralympic Operations to purchase Olympic event tickets at a gross cost of \$340,000, which would be allocated as follows:

- i. \$257,500 to the 2010 Hosting and Protocol Program with a partial cost recovery of \$55,500, the net cost to the City is estimated at \$202,000;
- ii. \$15,000 to Live City Vancouver, funding comes from the Olympic Legacy Reserve Fund - Live City, with an approved budget of \$4.8 million; and the remaining
- iii. \$67,500 to be allocated on a full cost recovery basis to Tourism Vancouver;
- iv. pursuant to a full public reporting on the process that indicates who has received tickets, according to what criteria, and whether or not they have been paid for.

DISCUSSION

Based on the Council decision of March 2009, staff purchased 2010 Olympic tickets. The following summarizes the purchase:

Ticket Allocation	Ticket Quantity	Gross Cost	Cost Recovery	Net Cost
City of Vancouver	907	\$169,660	\$8,950	\$160,710
Tourism Vancouver	265	\$67,495	\$67,495	\$0
LiveCity Sites	101	\$8,625	0	\$8,625
Vancouver Economic Development Commission (VEDC) - Metro Vancouver Commerce 2010 Business Program	282	\$104,785	\$104,785	\$0
TOTAL	1,557	\$350,715	\$181,230	\$169,335

In addition to the Olympic ticket purchase, the General Manager, Olympic and Paralympic Operations authorized the purchased of 534 Paralympic tickets with funding from the \$2 million 2010 Hosting and Protocol Program budget allocated from the Legacy Reserve Fund. The following summarizes the Paralympic ticket purchase:

Ticket Allocation	Ticket Quantity	Gross Cost	Cost Recovery	Net Cost
City of Vancouver	425	\$17,330	\$520	\$16,810
Tourism Vancouver	40	\$2,350	\$2,350	\$0
LiveCity Sites	69	\$2,110	\$0	\$2,110
TOTAL	534	\$21,790	\$2,870	\$18,920

In January 2010, the City established a corporate policy (AG-023-01) to ensure that the Olympic and Paralympic tickets purchased by the City were managed in an efficient and effective manner. Under the policy, the review and approval of ticket requests was the responsibility of the Ticket Request Approval Committee (TRAC) which consisted of the Deputy City Manager, the General Manager, Intergovernmental Relations and Strategic Partnerships, and the General Manager, Olympic and Paralympic Operations. The TRAC mandate was to review ticket requests and approve or deny the request based on the criteria set out in the policy; determine whether a host and/or staff expert was required; and the maximum number of tickets approved.

Potential recipients of tickets, other than Tourism Vancouver, LiveCity Sites and VEDC, were subject to the following criteria:

1. The individual or group of individuals has made a contribution to the following:
 - a. Community contribution
 - b. Economic development
2. A protocol obligation must be fulfilled.

Once TRAC approved a ticket request, the allocation was fulfilled by the Ticket Allocation and Host Scheduling Committee (TAHSC). This group met twice daily to:

- Review the inventory of available Olympic and Paralympic event tickets and determine the specific Olympic or Paralympic event the Guest and Host were to attend that adequately met the availability of both the Guest and Host;
- Where necessary, determine the City representative to act in the capacity of Host (and/or staff expert) for the specific Olympic event and scheduling that City representative to attend the event.

Internal Audit was responsible for ensuring compliance with the policy, securing Olympic and Paralympic tickets and releasing them upon approval. Tickets were released by Internal Audit once approved by both Committees.

The ticket allocation process resulted in 1555 Olympic tickets and 534 Paralympic tickets allocated to groups and individuals including Tourism Vancouver, Vancouver Economic Development Commission and LiveCity Vancouver. Only 2 Olympic tickets and no Paralympic tickets went unallocated.

See attached appendix A for a list of ticket recipients for the 2010 Olympic Winter Games. The list includes information event details, as well as cost recoveries, and recipients who were hosted/performed hosting duties.

See attached appendix B for a list of ticket recipients for the 2010 Paralympic Winter Games. The list includes information event details, as well as cost recoveries, and recipients who were hosted/performed hosting duties.

All tickets issued to the Mayor, Councillors, Park Board Commissioners, and city staff were allocated exclusively for their roles in hosting individuals who met the above criteria (community contribution, economic development, or protocol). The only exceptions were in the case of opening and closing ceremonies, where all elected officials and the Mayor's chief of staff (staff support of Mayor as Host City Mayor) were offered tickets to fulfill their protocol role as the Host City elected officials.

FINANCIAL IMPLICATIONS

As indicated previously in the March 2009 report to Council, staff estimated a net cost to the City of \$217,000 for the purchase of Olympic tickets. Based on the actual tickets purchased, the net cost to the City was \$169,335, which translates into a reduced net cost by \$47,665.

Ticket Allocation	Gross Cost	Cost Recovery	Net Cost
Budgeted Cost - March 24, 2009	\$340,000	\$123,000	\$217,000
Actual Cost - April 6, 2010	\$350,715	\$181,230	\$169,335
Difference	(\$10,715)	\$58,230	\$47,665

In addition, the City purchased \$21,790 of Paralympic tickets, with a net cost to the City of \$18,920. The source of funding was the 2010 Hosting and Protocol budget allocated from the Olympic Legacy Reserve Fund.

CONCLUSION

The City of Vancouver purchased 1557 Olympic tickets with a net cost of \$169,335 and 534 Paralympic tickets at a net cost of \$18,920.
