Meeting Date: May 18, 2010

TO: Vancouver City Council  
FROM: Director of Planning  
SUBJECT: Form of Development: 3058 Celtic Avenue

### *RECOMMENDATION*

THAT the form of development for this portion of the site known as 2950 Celtic Avenue (3058 Celtic Avenue being the application address) be approved generally as illustrated in the Development Application Number DE413466 prepared by Stuart Howard Architects Inc., and stamped "Received, Community Service Group, Development Services, April 21, 2010", provided that the Director of Planning may impose conditions and approve design changes which would not adversely affect either the development character of the site or adjacent properties.

### *GENERAL MANAGER'S COMMENTS*

The General Manager of Community Services RECOMMENDS approval of the foregoing.

### *COUNCIL POLICY*

There is no applicable Council Policy except that Council did approve in principle the form of development for this site when the rezoning was approved following a Public Hearing .

### *PURPOSE*

In accordance with Charter requirements, this report seeks Council's approval for the form of development for this portion of the above-noted CD-1 zoned site\

### *BACKGROUND*

At a Public Hearing on July 12, 2005, this rezoning application was concluded and Council agreed to refer the staff summation, Council discussion and decision to the next regular Council meeting. On July 19, 2005, Council approved a rezoning of this site from Residential

Agricultural District (RA-1) to Comprehensive Development District (CD-1). Council also approved in principle, the form of development for these lands. CD-1 By-law No. 9193 was enacted on November 23, 2005. Companion Guidelines (Celtic Avenue CD-1 Design Guidelines) were adopted by Council on November 29, 2005.

The site is located on the south side of Celtic Avenue with Carnarvon Street to the east and Balaclava Street to the west. The site and surrounding zoning are shown on the attached Appendix A.

Subsequent to Council's approval of the CD-1 rezoning, the Director of Planning approved Development Application Number DE413466. This approval was subject to various conditions, including Council's approval of the form of development. The latter condition is one of the few outstanding prior to permit issuance.

### *DISCUSSION*

The original rezoning allowed for the reconfiguration of the site to accommodate a twelve (12) lot single-family residential development. This proposal involves the construction of a single-family dwelling with an attached two-car garage having vehicular access from Celtic Avenue and a detached accessory building (stable), to accommodate a maximum of four horses.

Simplified plans, including a Site Plan and Elevations of the proposal, have been included in Appendix B.

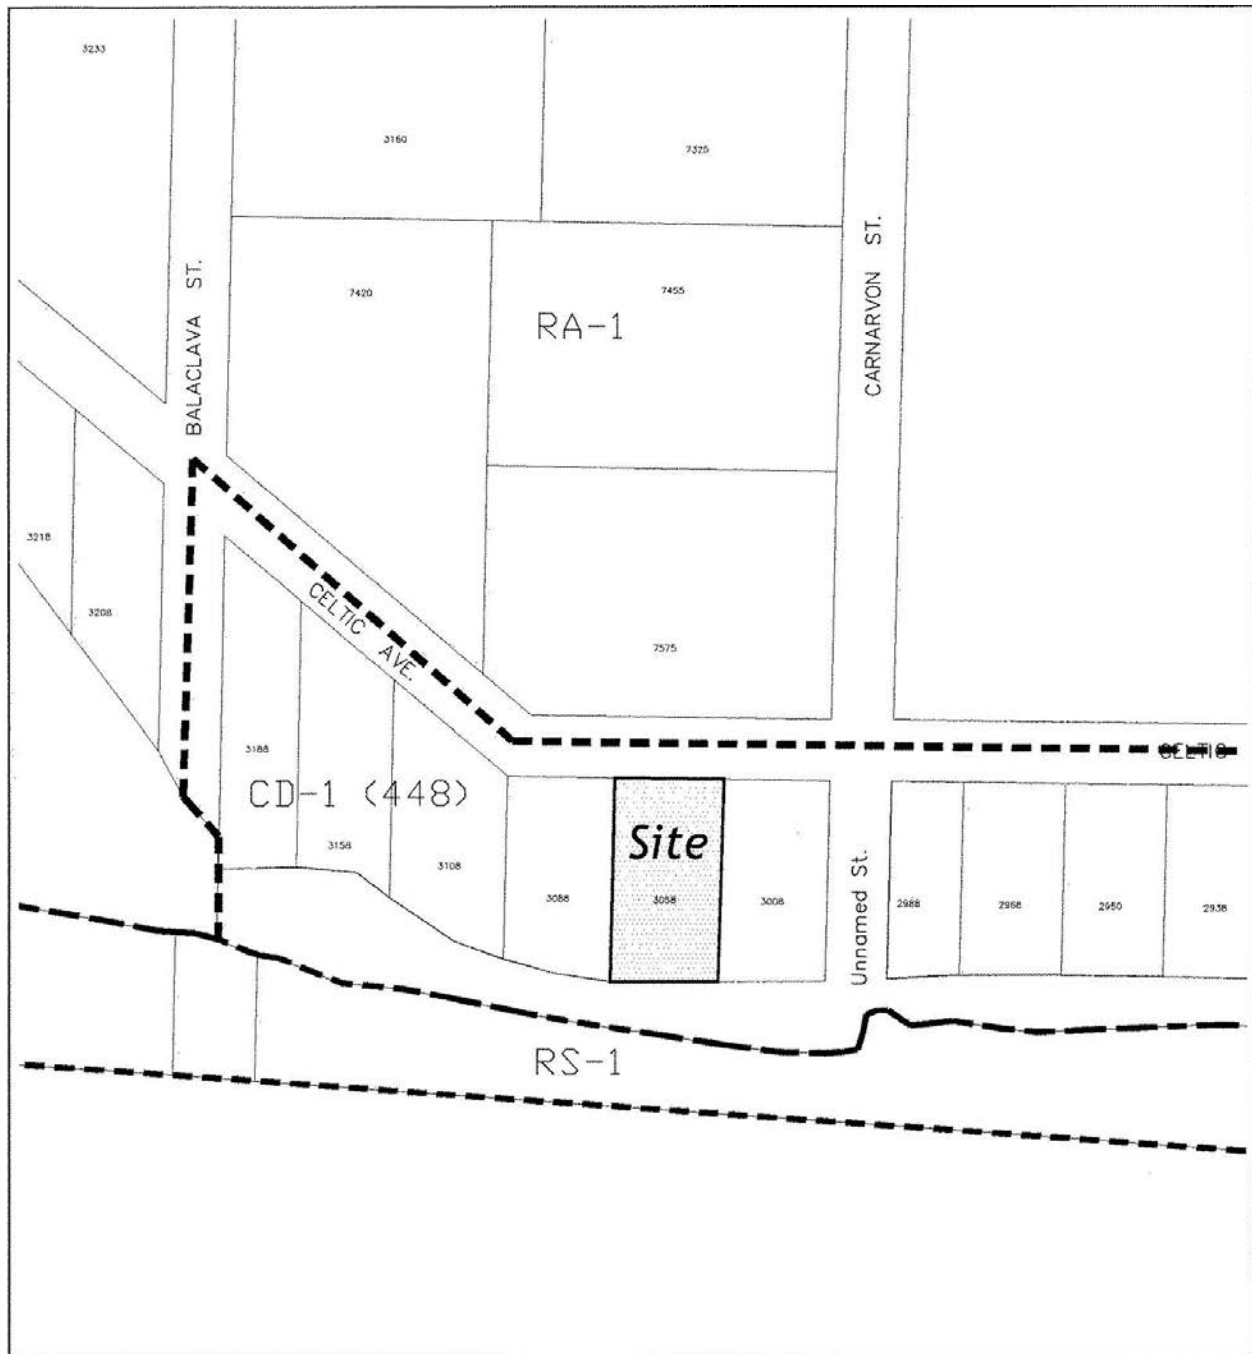

### *FINANCIAL IMPLICATIONS*

There are no financial implications.

### *CONCLUSION*

The Director of Planning has approved Development Permit Application Number DE413466, subject to various conditions to be met prior to the issuance of the Development Permit. One of these conditions is that the form of development first be approved by City Council.
