SUBJECT: Greenhouse Gas Reduction ODP - Changes to Posted By-law from
Appendix A of Policy Report

Staff have prepared the posted by-law generally in accordance with Appendix A of the policy report titled "Proposed Greenhouse Gas Emissions Reduction Development Plan, Referencing Existing City Greenhouse Gas Reduction Targets and Policies as Required by the Vancouver Charter", dated April 20, 2010, although the following minor improvements, clarifications and corrections have been incorporated into the by-law as posted and are presented in this memo for information.

- 1) The title of the climate change report, referenced in Appendix A of the policy report as "The Climate Friendly City: A Community Climate Change Action Plan for the City of Vancouver", has been changed in section 2.2.3 of the posted by-law to "Vancouver's Community Climate Change Action Plan". This matches the title used in the appendix of the March 29, 2005 Council report, ensuring that the climate change report can be more easily found in the future.
- 2) Section 2.2.4 (b) in the posted by-law has additional information added to be more thorough in documenting the Passive Design Toolkits program Council approved on May 7, 2009.
