

# LATE DISTRIBUTION REGULAR COUNCIL - MAY 18, 2010

UB-1(i)

ENGINEERING SERVICES  
Peter Judd, P.Eng., Acting General Manager

VanRIMS No.: 08-2000-20

## MEMORANDUM

May 17, 2010

TO: Vancouver City Council

CC: Penny Ballem, City Manager  
Sadhu Johnston, Deputy City Manager  
Marg Coulson, City Clerk

FROM: Peter Judd, Acting General Manager of Engineering Services

SUBJECT: Unfinished Business - Motorcycle Parking Update

On May 18<sup>th</sup>, 2010, Council will be considering the issue of Motorcycle Parking. The purpose of the recommendations is to seek Council's direction on a pricing structure and relative prioritization of different types of motorcycles and scooters (gas, electric, motor-assist), together with authorization for consequential by-law changes.

In addition to the items which require Council approval, staff will create additional parking spaces for electric motorcycles and scooters in locations that do not require Council approval or a by-law change. These are locations which are not in "far-side" corner clearances but which are otherwise unused and are not covered by an existing parking prohibition.

In these cases, we would paint a small rectangle large enough for one scooter and limit it to free parking for electric scooters and electric motorcycles only.

A handwritten signature in black ink, appearing to read "Peter Judd".

Peter Judd, P.Eng  
Acting General Manager of Engineering Services
