CITY MANAGER'S COMMENTS

The City Manager recommends APPROVAL of the foregoing.

COUNCIL POLICY

Council policy for the renewal of a BIA was approved on July 30 1992, and for the establishment and expansion of a BIA on October 14, 1997, as follows:

A BIA is established, renewed, and/or expanded by Council Initiative process; under a Council Initiative, affected property owners and commercial tenants receive a notification that sets out a description of the Initiative, the designated area, and the estimated annual charge and rate. The notification includes instructions for filing objections to the Initiative, which are reported to Council at a Court of Revision. Council also hears delegations as to whether or not the Initiative should proceed. The Initiative generally will not be approved if one third or more of the owners, representing one third of the assessed property value, *or* one third of the tenants, counted separately, submit objections.

Section 462 of the Vancouver Charter was amended on September 23, 1998, to permit BIA terms of up to 20 years, as opposed to the previous 5-year limitation. Council has exercised its authority under the amendment by previously approving ten year renewal terms for the Mount Pleasant and Downtown Vancouver BIAs, and seven year renewal terms for the Chinatown, Marpole, Robson Street, Strathcona and West End BIAs. As some BIAs have continued to apply for 5-year renewal terms, the range of BIA terms varies from 5 to 10 years.

Section 458 of the Vancouver Charter permits Council to alter (reduce or expand) BIA boundaries, or to merge two or more BIA areas, in the same manner as that provided to establish a BIA. Council exercised its authority under this section by merging the Downtown Vancouver BIA and Downtown Vancouver Expansion Area BIA in 2000, and the Commercial Drive BIA and Commercial Drive Expansion Area BIA in 2009.

PURPOSE

The following BIA terms will expire March 31, 2011:

BIA Date BIA established or last renewed Current Term

Cambie Village BIA April 1, 2006 (established) 5 years

Collingwood BIA	April 1, 2006	(renewed)	5 years
Hastings North BIA	April 1, 2006	(renewed)	5 years
Kerrisdale BIA	April 1, 2006	(renewed)	5 years
Kitsilano Fourth Avenue BIA	April 1, 2006	(renewed)	5 years

The Business Improvement Areas must now be re-established (renewed) for a further term to continue to operate. The purpose of this report is to advance the renewal process by approving Council Initiatives to renew each of the BIAs.

BACKGROUND

BIA Renewal Process Overview

The renewal process has two basic steps as described below - the first is the BIA's role and the second is the City's role:

Step 1

The BIA sponsor societies have completed the first step in the BIA renewal process which involves consultation with all of the BIAs' property- and business owners regarding BIA renewal and cost ("renewal outreach") culminating in membership approval of renewal resolutions at a BIA Annual General Meeting. Those resolutions include a) formally requesting the City to consider BIA renewal; b) stipulating a renewal term and funding-ceiling* for Council approval and c) approving a first-year renewal budget (levy). Each BIAs' renewal outreach is summarized in the Report based on an outline provided by the BIAs (Appendix A3 – E3). Detailed documentation is maintained on file by each BIA and is available at the City's request.

Step 2

Renewal Step 2 requires Council approval of the recommendations in this report as follows: a) to re-confirm the sponsor societies as sponsors of their respective BIAs; b) to approve a Council Initiative to renew the BIAs, which means the City will notify the affected property owners and tenants prior to a Court of Revision; c) to forward the renewal applications to Court of Revision for final approval and; d) subject to the Court of Revision, to approve the proposed funding ceilings for their respective terms.

If Council approves the BIA renewals at the Court of Revision, staff will report back for approval of the renewal year-1 budgets along with all of the other BIAs' 2011 - 2012 budget requests. Although Council does not approve the proposed year-1 budgets at this stage in the BIA renewal process, copies of the proposed budgets are attached to this Report for reference, to indicate the anticipated respective cost of the proposed renewals. This addresses Vancouver Charter section 506(2), which requires the City's formal notifications to include an estimate of each property owner's estimated contribution.

BIA Renewal Outreach - Background

In this section, additional information is provided on the overall approach to renewal outreach and reporting outlined as Step 1 and, in particular, how the approach has changed in

^{*} Vancouver Charter section 456(2)(b) stipulates that Council, by by-law, must establish the maximum amount of money to be granted to a BIA applicant. A 'funding ceiling' is the cumulative maximum amount, over the current BIA term, which may be granted and then recovered by way of a levy on parcels of real property within a BIA.

recent years. This is the third year of the new approach described. The sections that follow provide background and discussion individually for each of the five BIAs.

As part of the renewal process, BIAs are required to conduct outreach to the commercial property owners and business tenants within their respective BIA renewal areas, culminating in renewal resolutions at their Annual General Meeting, or at a General Meeting specifically held for the purpose.

Staff's previous practice was to set minimum requirements for renewal outreach, including the requirement to hold outreach meetings and conduct post-outreach surveys. In addition, Council reports regarding BIA renewals would typically offer staff's evaluation of the adequacy of outreach, and the level of membership support, based on indicators such as meeting attendance and survey response rates.

BIA representatives have expressed dissatisfaction with the previous practice, noting that prescriptive outreach requirements fail to recognize significant differences among BIAs and among BIAs' memberships. They assert that the BIAs, being familiar with their members' attributes, are better positioned than the City to determine and evaluate strategies for successful member engagement. Moreover, the BIAs point out that low member participation or response rates, previously cited by staff to caution Council about potentially low member awareness or support, could equally indicate satisfaction with BIA activities.

BIAs and staff have agreed on revised expectations for renewal outreach. Instead of prescriptive outreach requirements set by City staff, BIAs determine how they fulfill their requirement to conduct outreach. Also, participation or survey response rates are not used to infer the possibility of support or opposition to a BIA renewal proposal. However, BIAs accept a new requirement to include, with their AGM notification (sent to all property- and business owners), a letter from the City about business improvement areas. The letter includes information about how BIAs are funded through a special tax levy, how the BIA and levy are renewed for a further term, and how proceedings at the upcoming BIA AGM set directions about continuance of the BIA levy and its cost to owners.

In addition, Council Report appendices no longer include a full compilation of outreach materials generated by each BIA, although BIAs agree to retain and produce their materials on demand. Instead, each BIA provides a point-form outline of outreach materials and activities. Outreach-outlines from all five renewing BIAs are attached to this Report as appendices. Discussion in this Report is limited to a factual summary of each BIA's outreach activities, except where staff receive information from the BIAs or third-parties indicating concerns about the outreach, or otherwise indicating potential opposition to the BIA renewal. Such information could include calls, correspondence, or petitions.

The above is the first step of BIA renewal. Subsequently, as part of the Council Initiative (Step 2), all BIA property owners and business tenants will receive a notification from the City, if approved in the Recommendations in this report, to which they can respond before a final decision on BIA renewal is made by Council at a Court of Revision.

Cambie Village BIA Renewal

BACKGROUND

The Cambie Village BIA was established in 2000 for a 5-year term which expires at the end of March 2011. The Cambie Village Business Association (CVBA) wishes to renew the BIA for a further (7-year) term (April 1, 2011 - March 31, 2018).

DISCUSSION

BIA Renewal Proposal

The BIA boundary roughly comprises fifteen commercial blocks of Cambie Street between West 6th and 25th Avenues, not counting the four residential blocks between West 19th and 24th Avenues. (See map in Appendix A1).

When approved by Council, the proposed funding-ceiling of \$1,500,000 will define the maximum amount that may be levied over the 7-year Cambie Village BIA renewal term, and reflects an increase of 93% over the previous *5-year* ceiling, corrected for length of term. As a ceiling functions as a cumulative 'cap' rather than as a budget, a ceiling-increase does not necessarily reflect BIA expenditure increases.

The CVBA proposes a Year 1 renewal budget of \$175,000, representing an annual levy rate of \$0.40 per \$1,000.00 of assessed property value. If Council approves the Cambie Village BIA renewal at the Court of Revision, staff will report back for approval of the Year 1 budget along with all of the other BIAs' 2011 - 2012 budget requests. (See budget in Appendix A2.)

Renewal Outreach Activities

Renewal outreach activities extended from January to September 2010, and included:

- Retaining a marketing consultant firm that, in January 2010, engaged businesses on new concepts for re-branding and marketing Cambie Village
- Distribution of a member survey to all members in May 2010, with in-person follow-up to enhance survey returns. Survey results provided input toward drafting the CVBA's proposed 7-year renewal budget
- A renewal outreach meeting held in June 2010 for all property owners and businesses.
 The proposed 7-year renewal and budget and potential costs were reviewed and supported by members in attendance
- Annual General Meeting (AGM) notifications including a renewal information package distributed to all owners and businesses in August 2010
- The CVBA's AGM held in September 2010, at which the proposed renewal and 7-year budget were unanimously approved.

The CVBA's renewal request letter and an outline of their outreach process are attached as Appendix A3.

Staff Comments

Staff are satisfied that the CVBA has notified all commercial property owners and tenants within the proposed renewal area. As required, the CVBA has provided a summary of their outreach process, and has included the City's information letter with their AGM notification.

Staff have received no telephone calls or correspondence from individuals expressing opposition or concern regarding the renewal proposal.

Staff attend and observe BIA Annual General Meetings (AGMs). On September 17, 2010, at a duly constituted AGM, the CVBA membership approved BIA renewal, a 7-year funding ceiling, and the 2011-2012 budget.

Based on the AGM results and member input received to date, the CVBA believes that the BIA renewal, the proposed 7-year funding ceiling, and the Year-1 budget are generally supported.

Collingwood BIA Renewal

BACKGROUND

The Collingwood BIA was one of three BIAs established in 2001, along with the Hastings North and Kitsilano Fourth Avenue BIAs. The BIA was renewed in 2006 for a second 5-year term which expires at the end of March 2011. The Collingwood Business Improvement Association (CBIA) wishes to renew the BIA for a further (7-year) term (April 1, 2011 - March 31, 2018).

DISCUSSION

BIA Renewal Proposal

The BIA boundary roughly comprises 14 linear blocks of Kingsway between Rupert and Boundary. (See map in Appendix B1.)

When approved by Council, the proposed funding-ceiling of \$1,389,776 will define the maximum amount that may be levied over the Collingwood BIA 7-year renewal term, and reflects an increase of 39% over the previous *5-year* ceiling, corrected for length of term. As the ceiling functions as a cumulative 'cap' rather than as a budget, a ceiling-increase does not necessarily reflect BIA annual expenditure increases.

The CBIA proposes a Year 1 renewal budget of \$188,411, representing an annual levy rate of \$1.11 per \$1,000.00 of assessed property value. If Council approves the Collingwood BIA renewal at the Court of Revision, staff will report back for approval of the Year 1 budget along with all of the other BIAs' 2011 - 2012 budget requests. (See budget in Appendix B2.)

Renewal Outreach Activities

Renewal outreach activities extended from May 2009 to September 2010, and included:

 Renewal information and feedback from newsletters, e-blasts, website and other media

- A membership survey
- Three membership meetings
- Preparation of draft 5-year and 7-year plans and budgets
- Discussion and plan approval at September 2010 AGM

The CBIA's renewal request letter and an outline of their outreach process are attached as Appendix B3.

Staff Comments

Staff are satisfied that the CBIA has notified all commercial property owners and tenants within the proposed renewal area. As required, the CBIA has provided a summary of their outreach process, and has included the City's information letter with their AGM notification.

Staff have received no telephone calls or correspondence from individuals expressing opposition or concern regarding the renewal proposal.

Staff attend and observe BIA Annual General Meetings (AGMs). On September 16, 2010, at a duly constituted AGM, the CBIA membership approved BIA renewal, a new 7-year funding ceiling, and the 2011-2012 budget.

Based on the AGM results and member input received to date, the CBIA believes that the BIA renewal, the proposed 7-year funding ceiling, and the Year-1 budget are generally supported.

Hastings North BIA Renewal

BACKGROUND

The Hastings North BIA was one of three BIAs established in 2001, along with the Collingwood and Kitsilano Fourth Avenue BIAs. The BIA was renewed in 2006 for a second 5-year term which expires at the end of March 2011. The Hastings North Business Improvement Association (HNBIA) wishes to renew the BIA for a further (7-year) term (April 1, 2011 - March 31, 2018).

DISCUSSION

BIA Renewal Proposal

The BIA boundary comprises a 12 linear blocks of East Hastings Street between Commercial Drive and Renfrew Street, and a 10-block area to the north of Hastings roughly bounded by Commercial Drive, Powell Street, and Semlin Drive. (See map in Appendix C1).

When approved by Council, the proposed funding-ceiling of \$2,420,000 will define the maximum amount that may be levied over the Hastings North BIA 7-year renewal term and reflects an increase of 67% over the previous *5-year* ceiling, corrected for length of term. As the ceiling functions as a cumulative 'cap' rather than as a budget, a ceiling-increase does not necessarily reflect BIA annual expenditure increases.

The HNBIA proposes a Year 1 renewal budget of \$325,000, representing an annual levy rate of \$0.96 per \$1,000.00 of assessed property value. If Council approves the Hastings North BIA renewal at the Court of Revision, staff will report back for approval of the Year 1 budget along with all of the other BIAs' 2011 - 2012 budget requests. (See budget in Appendix C2).

Renewal Outreach Activities

Renewal outreach activities extended from September 2009 to November 2010, and included:

- A membership survey conducted in February 2010
- A strategic planning workshop in March 2010, followed by a draft strategic plan and budget
- A membership meeting in June 2010
- Mailings in Spring and Summer 2010 regarding the renewal proposal and meeting
- Renewal discussion and membership approval at September 2010 AGM
- Reporting AGM results in CBIA November newsletter.

The HNBIA's renewal request letter and an outline of their outreach process are attached as Appendix C3.

Staff Comments

Staff are satisfied that the HNBIA has notified all commercial property owners and tenants within the proposed renewal area. As required, the HNBIA has provided a summary of their outreach process, and has included the City's information letter with their AGM notification.

Staff have received no telephone calls or correspondence from individuals expressing opposition or concern regarding the renewal proposal.

Staff attend and observe BIA Annual General Meetings (AGMs). On September 22, 2010, at a duly constituted AGM, the HNBIA membership unanimously approved BIA renewal, a new 7-year funding ceiling, and the 2011-2012 budget.

Based on the AGM results and member input received to date, the HNBIA believes that the BIA renewal, the proposed 7-year funding ceiling, and the Year-1 budget are generally supported.

Kerrisdale BIA Renewal

BACKGROUND

The Kerrisdale BIA was one of two BIAs established in 1991, along with the Robson Street BIA. The BIA was renewed in 1996, 2001 and 2006, with the current 5-year term expiring at the end of March 2011. The Kerrisdale Business Association (KBA) wishes to renew the BIA for a further 5-year term (April 1, 2011 - March 31, 2016).

DISCUSSION

BIA Renewal Proposal

The BIA boundary roughly comprises five linear blocks of West 41st Avenue between Maple and Larch Streets, and three blocks of West Boulevard between West 39th and 42nd Avenues. (See map in Appendix D1).

When approved by Council, the proposed funding-ceiling of \$1,763,000 will define the maximum amount that may be levied over the Kerrisdale BIA 5-year renewal term, and reflects an increase of 21% over the previous 5-year ceiling. As a ceiling functions as a cumulative 'cap' rather than as a budget, a ceiling-increase does not necessarily reflect BIA annual expenditure increases.

The KBA proposes a Year 1 renewal budget of \$357,000, representing an annual levy rate of \$1.27 per \$1,000.00 of assessed property value. If Council approves the Kerrisdale BIA renewal at the Court of Revision, staff will report back for approval of the Year 1 budget along with all of the other BIAs' 2011 - 2012 budget requests. (See budget in Appendix D2).

Renewal Outreach Activities

Renewal outreach activities extended from Fall 2009 to September 2010, and included:

- Renewal updates and notifications carried in the KBA's member newsletter, which is mailed and hand-delivered to all KBA members, and also posted on the KBA website
- Distribution of a full colour publication specific to BIA renewal to all members in Spring 2010. The publication contained a survey soliciting member input regarding future BIA directions, strategies and apportionment of funds
- Survey response rate was enhanced through a sampling of one-on-one interviews. The
 KBA reports a response rate of over 50% as a result of this strategy, which replaced the
 usual outreach meetings or open houses which, in previous renewals, had been poorly
 attended. A summary of survey responses was published in the KBA's member
 newsletter.
- Development of an eight page BIA Renewal Plan and Budget distributed to the membership in August 2010 as part of the KBA's AGM notification. The BIA Renewal Plan was based on input from the member survey, and outlined the services and programs to be delivered under the proposed 5-year budget
- The Renewal Plan and Budget were discussed and voted at the KBA AGM. Following the AGM, the membership received an e-mail directing them to a comments page on the KBA website. The KBA reports that no comments were received.

The KBA's renewal request letter and an outline of their outreach process are attached as Appendix D3.

Staff Comments

Staff are satisfied that the KBA has notified all commercial property owners and tenants within the proposed renewal area. As required, the KBA has provided a summary of their outreach process, and has included the City's information letter with their AGM notification.

Staff have received no telephone calls or correspondence from individuals expressing opposition or concern regarding the renewal proposal.

Staff attend and observe BIA Annual General Meetings (AGMs). On September 9, 2010, at a duly constituted AGM, the KBA membership approved BIA renewal, a 5-year funding ceiling, and the 2011-2012 budget.

Based on the AGM results and member input received to date, the KBA believes that the BIA renewal, the proposed 5-year funding ceiling, and the Year-1 budget are generally supported.

Kitsilano Fourth Avenue BIA Renewal

BACKGROUND

The Kitsilano Fourth Avenue BIA was one of three BIAs established in 2001, along with the Collingwood and Hastings North BIAs. The BIA was renewed in 2006 for a second 5-year term which expires at the end of March 2011. The Kitsilano 4th Avenue Business Association (K4BA) wishes to renew the BIA for a further (5-year) term (April 1, 2011 - March 31, 2016).

DISCUSSION

BIA Renewal Proposal

The BIA boundary roughly comprises 8 linear blocks of West 4th Avenue between Balsam and Fir. (See map in Appendix E1).

When approved by Council, the proposed funding-ceiling of \$2,007,650 will define the maximum amount that may be levied over the Kitsilano Fourth Avenue BIA 5-year renewal term, and reflects an increase of 177% over the previous 5-year ceiling. As a ceiling functions as a cumulative 'cap' rather than as a budget, a ceiling-increase does not necessarily reflect BIA annual expenditure increases.

The K4BA proposes a Year 1 renewal budget of \$400,500, representing an annual levy rate of \$1.10 per \$1,000.00 of assessed property value. If Council approves the Kitsilano Fourth Avenue BIA renewal at the Court of Revision, staff will report back for approval of the Year 1 budget along with all of the other BIAs' 2011 - 2012 budget requests. (See budget in Appendix E2).

Renewal Outreach Activities

Renewal outreach activities extended from March to November 2010, and included:

- Communication of BIA renewal information by way of meeting notifications, content in issues of the K4BA Newsletter, and face-to-face contact
- An early feature on BIA renewal in the March 2010 newsletter
- Discussion about renewal at the K4BA AGM in June 2010
- An informal membership meeting in August 2010 to discuss marketing, branding and other member priorities in the context of possible renewal budgets

- Two renewal Open Houses held in October and November, 2010. The first Open House provided information about the renewal process, an opportunity to discuss ideas, concerns and priorities, and a preview of possible branding designs. The second Open House provided an opportunity for member input on a proposed budget to implement desired programs for the renewal term
- A BIA renewal survey distributed in October at the first open house, and then by mail
 and hand delivery. The purpose of the survey was to solicit member responses to help
 determine renewal priorities, a renewal budget and allocations, and a funding ceiling
 for renewal. The K4BA reports that all respondents agreed to a 5-year BIA renewal
- Member notification of a Special General Meeting (SGM) scheduled for November 16, 2010 to review and approve the proposed 5-year renewal and programs, and the proposed budget and funding ceiling
- Follow-up visits to business owners from BIA Manager and President.

The K4BA's renewal request letter and an outline of their outreach process are attached as Appendix E3.

Staff Comments

Staff are satisfied that the K4BA has notified all commercial property owners and tenants within the proposed renewal area. As required, the K4BA has provided a summary of their outreach process, and has included the City's information letter with their AGM notification.

Staff have received no telephone calls or correspondence from individuals expressing opposition or concern regarding the renewal proposal.

Staff attend and observe BIA General Meetings. The K4BA has scheduled a Special General Meeting (SGM) to be held November 23, 2010 for membership approval of the proposed BIA renewal, 5-year funding ceiling, and 2011-2012 budget. As their SGM will be held after the date of this Report, staff will inform Council by memorandum if there is any change to the information provided.

Based on the member input received to date, the K4BA believes that the BIA renewal, the proposed 5-year funding ceiling, and the Year-1 budget are generally supported.

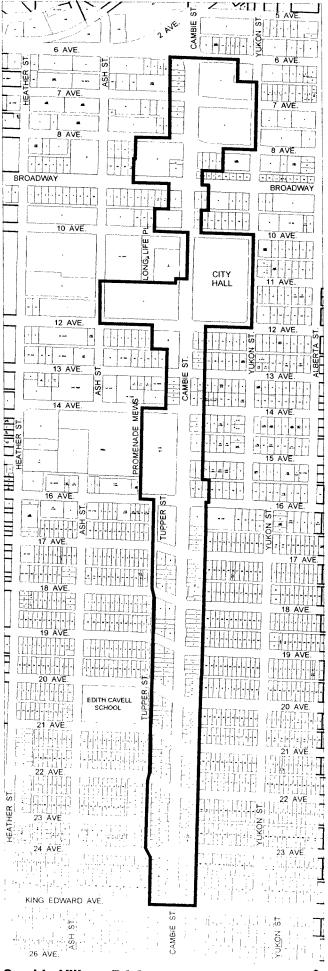

FINANCIAL IMPLICATIONS

There are no financial implications.

CONCLUSION

The by-laws for five Business Improvement Areas are set to expire the end of March 2011, and the respective BIA societies have asked that their renewal applications be forwarded by way of Council Initiative to a Court of Revision. The results of the various BIA outreach activities indicate little or no opposition at this stage in the process. Staff recommend that all applications be forwarded to Court of Revision. If Council approves the BIA renewals at the Court of Revision, staff will report back for approval of the Year 1 budgets along with all of the other BIAs' 2011 - 2012 budget requests.

Mayor Gregor Robertson and Members of Council c/o Peter Vaisbord, BIA Program Coordinator City of Vancouver, 453 West 12th Avenue Vancouver, BC V5Y 1V4

RE: Proposed Renewal of the Cambie Village Business Association

Dear Mayor and Council,

On behalf of the Cambie Village Board of Directors who represent the merchants and property owners of the Cambie Village Business Association, I hereby request that Vancouver City Council consider our application to renew the Cambie Village Business Association for a seven year term beginning April 1st, 2011.

Cambie Village Business Association encompasses the properties and businesses along Cambie Street from the Cambie Bridge to West King Edward. This area was hit hard during the Canada Line construction. With so much uncertainty and confusion on Cambie Street, the merchants and property owners came together to form the Cambie Village Business Association (CVBA). With a united voice, the CVBA was able to actively participate in the discussions about the look of Cambie to follow the Canada Line construction.

With construction over now, Cambie Village has a new look, three new stations, and whole new traffic flow. The CVBA wants to look forward now to the possibilities. Three annual events have pulled together the residents of the area for a celebration five years in a row. The CVBA wishes to continue these events, and the build upon them.

With the end of construction, Cambie Village is rebranding itself as a desirable family shopping and dining destination. Attractions such as City Hall and City Square provide a nice transition from the small businesses of the south end of the CVBA to the box stores on the north end. It has been a delightful learning experience for the smaller stores and restaurants to sit at the same table as major chain stores and come up with creative ways to work together and market this unique area of Vancouver.

The CVBA has consulted with its membership on the direction it will take in the next seven years. Feedback was collected and potential budgets were discussed. At our Annual General Meeting in September 2010, members in attendance voted unanimously to proceed with the 2011-2018 plan.

Please consider this our formal application for renewal of the CVBA as required by the City. Peter Vaisbord has attended our outreach meetings and our AGM and is aware of the work we have done to consult our members and reach an agreed-upon budget.

If any outstanding business remains, or if you have any questions or concerns, please do not hesitate to contact me or any members of the Cambie Village Business Association.

Regards,

Rania Hatz, Executive Director Cambie Village Business Association 604-618-7557

Re: Collingwood Business Improvement Association Renewal

Dear Mayor Robertson and Members of Council:

This letter is to request Council's consideration to renew the Collingwood Business Improvement Association (CBIA) mandate for a further seven (7) year period beginning April 1, 2011 – March 31, 2018.

The CBIA Board of Director's and staff have been successfully carrying out the goals and objectives of the Association for the past 5 years. Throughout this time we've engaged with our members; the commercial property owners and businesses located on Kingsway between Boundary Road and Rupert Street in Vancouver, by encouraging their input, participation, concurrence and support of the many community based and business building programs administered by the CBIA board and staff on their behalf.

In preparation for the conclusion of the CBIA's current mandate, the board gathered feedback through surveys, on-site visits, and membership meetings and from responses to other communications, i.e. Newsletters, E-Blasts, Website, Post Cards and monthly Newspaper features. This collection of data assisted board members and staff in the establishment of new goals and objectives that will see the continuation of many current programs, and allow for expansion and development of new programs during the next 7 years.

Through this letter the Board formally asks for Council's consideration of the Collingwood Business Improvement Associations application to renew for a further 7 year period.

Sincerely,

Diana L. Cousins

Re: Proposed Renewal of the Hastings North Business Improvement Association

Dear Mayor Robertson and Council,

On behalf of the membership and Directors of the Hastings North Business Improvement Association, I am requesting that Vancouver City Council consider our application to renew the HNBIA mandate for a seven year term effective April 1, 2011.

The HNBIA encompasses the area from Renfrew Street west on Hastings Street to Commercial Drive, North on Commercial Drive to the CNN right of way, east to Semlin Drive and South to Hastings Street. It is a unique are as we combine both a vibrant retail district and a portion of the Powell Street Light Industrial Area an important manufacturing and light industrial district within the City.

The HNBIA was formed by the businesses and the City in 2001 and has overseen a change in the neighbourhood over the last ten years. It has had a positive impact in the area as graffiti is consistently being removed, the sidewalks and landscaping is maintained, the area is promoted and beautification projects have been undertaken.

The HNBIA is pleased to have become an integral community member of the area and is part of many successful partnerships both with community members and other community organizations. We have worked on many different projects with other neighbourhood members and look forward to continuing these partnerships and programs in the community. It will be exciting the positive changes that have been initiated continue into the future in this vibrant, eclectic important neighbourhood in east Vancouver.

Our renewal process commenced in 2009 and the Board of Directors have undertaken a number of outreach activities over the past year to inform and enable our members to have input into the renewal process. We undertook a strategic planning process to enable us to move forward with new actions for the next stage of the BIA and to inform the budget process. The renewal mandate, budget and strategic plan were unanimously passes at our Annual General Meeting in September 2010 by our membership.

Please accept this letter as our formal BIA application as required by the City's BIA program. The City's BIA Program Coordinator is aware of this proposal and will be copied on this letter.

If you have any questions regarding the HNBIA or the work we have achieved to date, please do not hesitate to contact Patricia Barnes, the Executive Director of the HNBIA.

Sincerely,

Re: Renewal outreach activities

Dear Mr. Vaisbord;

The purpose of this letter is to outline the renewal outreach activities undertaken by the Hastings North Business Improvement Association over the last year.

The renewal process was announced and explained at the September 2009 Annual General Meeting to the membership of the HNBIA. At that point we outlined the process and the various mechanisms that we would put in place to allow the membership to inform the process. Membership surveys were conducted in February 2010 to allow the membership to comment on the BIA's activities to date, where we as an area need to improve, what opportunities we could explore and the challenges we will be facing.

Based on this survey the Board of Directors entered into a strategic planning process with an independent facilitator in March, 2010. From this strategic plan a draft budget was proposed. The strategic plan and budget were both brought to the Board of Directors for their approval and then sent to the membership through our newsletter dedicated to the plan and budget. A public meeting was held in June 2010 to go through the budget, the seven year mandate and the strategic plan.

Over the Spring and Summer of 2010 a number of mailings were undertaken to ensure that our membership was fully informed of the proposals and the public meeting with respect to renewal. After the public meeting the drafts were finalized to include additional membership input and then again forwarded to the businesses and property owners.

Given the support for moving forward the BIA put the mandate, budget and plan motions before the Annual General Meeting in September, 2010. At the AGM the seven year mandate with a budget capped at \$2.42 million was unanimously approved. This news was communicated to the membership through our Fall newsletter in November 2010.

If you have any questions, please contact me at 604-215-2401.

Sincerely,

HASITNGS NORTH BUSINESS IMPROVEMENT ASSOCIATION

Patriau Pama.

Re: Proposed Renewal of the Kerrisdale Village BIA

Dear Mayor and Council:

On behalf of the membership and Directors of the Kerrisdale Business Association, I hereby request that the Vancouver City Council consider our application to renew the Kerrisdale BIA for a further five year term beginning April 1st, 2011.

The Kerrisdale Business Association was one of the first officially recognized BIAs within the COV having been initially formed in 1990. Previous to that, its Merchant's Association had nourished the business community for over 50 years creating a long and venerable history of community partnership and village enhancement.

The KBA's boundaries stretch along busy West 41st Avenue from Larch to Maple streets, along West Boulevard from West 39th to the south lane of West 41st Avenue, just north of West 41st Street at Yew Street to the lane and the London Drugs complex of stores on West 42nd Street just east of East Boulevard.

The Village of Kerrisdale is renowned for its beautification program encompassing large potted trees and perennials, dozens of sidewalk based teak benches and in-house designed refuse receptacles and newspaper box surrounds. The thrice annually changed street banners add art, colour and a festive ambience to the Village while nightly security patrols along with afternoon and emergency call-out programs, help keep Kerrisdale safe and sound.

Kerrisdale Village special events have become seasonal traditions enjoyed by residents and visitors alike throughout the MetroVancouver area. Kerrisdale Days, Carnival Days, Music Under the Clock and December festivities highlight shopping, sidewalk sales, the opening of the Little League season along with a cacophony of music, singing, free horse & carriage rides and a multiplicity of other entertainment. In addition, Kerrisdale Village has recently helped sponsor the new rubberized track at Point Grey Secondary School and offers three free Skating events at the Kerrisdale Arena at Halloween, Christmas and Spring Break while also donating free rentals, entertainment and refreshments. In short, there is a strong and longstanding relationship between KerrisdaleVillage and the Kerrisdale neighbourhood.

Our KBA Board of Directors has been working on the new 5 Year BIA Renewal Plan and budgets since the autumn of 2009 while keeping the membership informed and engaged along the way. As a result, our recent AGM held on September 9th, 2010, saw the 2011-2016 plan overwhelmingly approved by the attending membership.

Please consider this letter our formal application for renewal as required by the BIA program. Peter Vaisbord, COV BIA Coordinator, has followed our renewal process along the way and has been sent all the appropriate documentation.

Please feel free to contact me at anytime regarding any questions or queries regarding the Kerrisdale Business Association.

Sincerely,

Terri Clark Coordinator Kerrisdale Business Association

Executive Summary Kerrisdale BIA Renewal 2011-2016

The Kerrisdale Business Association conducted a comprehensive campaign to inform the business operators and property owners about the BIA Renewal process. From autumn of 2009 through September 2010. KBA newsletters carried updates and meeting notifications (hand delivered, posted and on the web site) about the upcoming important 5 Year BIA Renewal, surveys and board meetings leading up to the Annual General Meeting at the Arbutus Club on September 9, 2010.

In spring of 2010 a four page, full colour publication specifically geared to the KBA Renewal, was distributed to businesses and mailed to all property owners (twice) for their information about the process and their engagement in same. A survey was included within the document with crucial questions pertaining to the future directions and strategies of the KBA and the apportionment of future funds.

In mid-May, the KBA coordinator also did a sampling of one-on-one interviews to complete the same comprehensive member survey too enhance return numbers. This method of engagement proved very successful and over 50% of the membership filled out the forms that would form the basis of the KBA's next 5 Year Plan and Budget Renewal.

In mid-June, having reviewed and assessed the survey comments, the KBA Executive met to develop a conservative budget for the next five years. This budget was subsequently approved by the Kerrisdale Business Association Board of Directors. An eight page BIA Renewal Document was then created outlining the important services and events provided by the KBA with focus on a proposed 5 Year Budget for 2011-2016. The traditional Open House at the Kerrisdale Community Centre was not convened this time as previous meetings, though well advertised, had been costly but poorly attended

A summary of the member survey was published in the KBA newsletter and distributed to members and property owners. Members were made aware that the KBA Executive would base their 5 Year BIA Renewal Budget Plan on the feedback received from said member survey.

In mid-August the BIA Renewal Plan was distributed to all members and property owners along with notice of the Annual General Meeting set for September 9. This notice was sent again the week before the AGM.

Following the AGM, which was well attended, where the KBA 5 Year BIA Renewal Plan was overwhelmingly approved, a mass email was sent directing all members to a special AGM Renewal Page on the KBA web site for further comment. None was received.

Dear Mayor Robertson and Council:

Proposed Renewal of the Kitsilano 4th Avenue Business Association Re:

On behalf of the membership and Directors of the Kitsilano 4th Avenue Business Association, I herby request that Vancouver City Council consider our application to renew the Kitsilano 4th Avenue BIA for a further five year term, commencing April 1, 2011.

The Kitsilano 4th Avenue BIA encompasses West 4th Avenue from Fir Street to the east through to Balsam Street to the west. Over the course of our pervious mandates, our BIA has made significant promotional impact on the success of our business area, and has allowed the merchants and property owners to jointly participate in building the strength and vitality of our unique retail precinct.

The Board of Directors has been working on the proposed renewal since Spring 2010, informing membership through regular outreach meetings and internal communication to garner member support. At present, we are placing the five-year renewal option, 2011 budget and five-year funding cap before our entire membership at an Extraordinary General Meeting, which is scheduled to occur on Tuesday, November 23, 2010.

In the mean time, please allow this letter to stand as our formal BIA application as required by the BIA program. The City's BIA Coordinator, Peter Vaisbord, has been extremely supportive in assisting our BIA through the renewal process, and as such, he is very aware of this renewal request.

Should you have any questions about the BIA, our new proposed mandate, or the work we have achieved to date, please do not hesitate to contact me personally.

Thank you, in advance, for your time and consideration of our BIA renewal request.

members gave constructive feedback.

September 17, 2010 Notification of BIA Renewal Open House meeting on

Utilizing the results gleaned from the membership feedback, the BIA Manager and Board prepared three five-year budgets for overall Board evaluation based completely on the membership priorities from this survey and from expressions from previous membership meetings.

October 20, 2010

The Board of Directors electronically reviewed all three budgetary options for 2011 and the 5-year funding cap and agreed that they will present a 2011 budget of \$400,500 to the membership, which reflected all of the enhanced initiatives that the membership asked for.
