VanRIMS No.: 08-2000-20  
Meeting Date: July 12, 2011

TO: Vancouver City Council

FROM: Director of Legal Services, in consultation with the Director of Real Estate Services and the General Manager of Engineering Services

SUBJECT: Expropriation of 7248 Knight Street for the Construction of Left Turn Bays on Knight Street at 57<sup>th</sup> Avenue

### RECOMMENDATION

THAT Council, as the approving authority under the *Expropriation Act*, R.S.B.C. 1996, C. 125 (the "Act"), approve the expropriation of that portion of the lands at 7248 Knight Street, legally described as:

Parcel Identifier No. 014-325-632  
Lot 46, Except the West 7 Feet, Now Road, Blocks 29 to 31, District Lot 200,  
Plan 1770 (the "Property"),

shown heavily outlined on the plan consisting of approximately 31.2 square metres prepared by James E. Gregson, B.C.L.S. on April 4, 2011, as marginally annotated LD5089, a reduced copy of which is attached as a Schedule to Appendix A to this report (the "Site").

If Council approves this report, the Formal Resolution (shown in Appendix A) to authorize the land expropriation will be before Council later this day for approval.

### CITY MANAGER'S COMMENTS

The City Manager recommends approval of the foregoing.

## COUNCIL POLICY

Section 532 of the *Vancouver Charter* provides that if, in the exercise of any of its powers of acquiring real property, the City fails to come to an agreement with its owner as to the terms of acquisition, the City may, by by-law or resolution of the Council, expropriate such real property.

## PURPOSE

The purpose of this report is to request Council to exercise its authority, as approving authority under the Act, to approve the expropriation of the Site.

## BACKGROUND

On May 17, 2011, Council authorized the City, as expropriating authority, to commence expropriation proceedings to acquire the Site for construction of left turn bays on Knight Street at 57<sup>th</sup> Avenue. To date, the City has been unsuccessful in its attempt to negotiate an outright purchase of the Site.

An expropriating authority that intends to expropriate land must serve an Expropriation Notice on all owners as defined under the Act (which in this case are the registered owners of the Site, and the chargeholder which holds a mortgage charging the Site), as well as the approving authority (namely, Vancouver City Council).

The required Expropriation Notice has now been filed in the Land Title Office and served on all necessary parties and the required sign setting out a copy of the Expropriation Notice has been posted at the Site.

## DISCUSSION

If an owner's land is being expropriated for the construction, extension or alteration of a linear development, the owner may not request an inquiry under the Act. In this case, the purpose for which the Site is required is to alter a linear development, namely, the widening of Knight Street to construct left turn bays on Knight Street at 57<sup>th</sup> Avenue. Accordingly, in the opinion of the Director of Legal Services, no affected party may successfully request an inquiry.

## Procedure

The Act provides as follows:

where an owner is not entitled to request an inquiry, the approving authority **MUST** approve the expropriation and notify the Expropriating Authority and each owner of the approval in writing;

within 30 days after Council as approving authority has approved the expropriation, the City as the Expropriating Authority, must pay the owners the amount the City

estimates is or will be payable to the owners as compensation, and must serve on the owners a copy of all appraisal and other reports on which the payment is based;

within 30 days after it has paid the money and served copies of the appraisal, the Expropriating Authority must file in the Land Title Office a vesting notice, a copy of which must be served on the owners; and

payment to the owner by the Expropriating Authority is without prejudice to the owner's right to have the amount determined in the manner provided for in the Act, but the owner must apply to the court to determine compensation within one year after the payment is made.

## CONCLUSION

In the opinion of the Director of Legal Services in consultation with the Director of Real Estate Services and the General Manager of Engineering Services, it is appropriate that Council, as the approving authority, approve the expropriation of the Site.

\* \* \* \* \*

A companion report (RTS No. 9264) requests that Council authorize the Director of Real Estate Services on behalf of the City as Expropriating Authority to make the payment to the owner as required by the Act.
