

THE RE-BIRTH OF "Up Town"
228-226E Broadway & 180 Kingsway

I am a 30-year resident and homeowner in Mt Pleasant specifically the Main, Fraser and east Broadway area

I have seen the TRANSFORMATION of Mt Pleasant starting with then "Mt Pleasant improvement project"
PROGRESS

I have seen HOOKERS from 5th to Broadway and beyond scared away by the "scare the John's" local effort
PROGRESS

I have seen and witnessed DRUG DEALING on Fraser and Broadway and made many phone calls to VPD now revitalized with stores that don't attract drug dealers
PROGRESS

I have seen revolving Chinese restaurants, run down pizza shops, head shops and sex shops at 228 and 226E Broadway now burnt to the ground
PROGRESS

I have seen Cambie Street going from a "dead zone" save the traffic from east to west, to a revitalized new high-energy city within the city, save the traffic from east to west! And all the complaints about the sky train!!!!

PROGRESS

I love Vancouver I love Mt Pleasant we should be grateful that somebody wants to invest in this area for this opportunity of revitalization is **PROGRESS**

This is the re-birth of Up Town
