

B.3

MOTION ON NOTICE

3. Request for Regular Briefings to Vancouver City Council by the Chief Medical Officer

MOVER: Councillor Adriane Carr

SECONDER:

WHEREAS

1. Regular sharing of information between the City of Vancouver and Vancouver Coastal Health Authority regarding health-related initiatives, data and issues is mutually beneficial and in the public interest;
2. At the May 10, 2012 *Healthy Families BC Communities Initiative* consultation held at the Lower Mainland Local Governments Association Annual General Meeting in Whistler, local governments requested regular briefings from the Vancouver Coastal Health Authority's Chief Medical Officer to which the Chief Medical Officer responded that she would favorably respond to such a request.

THEREFORE BE IT RESOLVED THAT the City of Vancouver request that the Vancouver Coastal Health Authority's Chief Medical Officer provide Council with regular briefings on regional and provincial health initiatives as well as new health data and key health issues on a schedule to be determined by the City Manager in consultation with the Chief Medical Officer;

FURTHER THAT in conjunction with the briefing by the Chief Medical Officer, City of Vancouver staff report on progress being made on Vancouver's Healthy City Strategy;

AND FURTHER THAT these briefings be scheduled during regular, publicly-broadcasted Council meetings.
