Dear Mayor and Council,

I would like to offer our strongest support for saving the Heritage House at 833 Keefer St to which we are the direct neighbour – and to support the infill units that will be placed in the back garden.

For close to 80 years the North side of Keefer St. has been in a state of disrepair, and it is good to see the existing heritage elements saved and an attractive infill created.

Thank you,

Dear Mayor and Council,

**Re: Heritage Revitalization Agreement – 833 / 837  
Keefer St.**

I am writing to you as a home-owner directly opposite 833 / 837 Keefer St. I want to express support for saving and preserving the 2 Heritage houses that are part of this application. I also want to congratulate the staff at the City for their creative work, in improving the nature of the community by maintaining the existing elements of heritage and balancing the modern design of the new development in a way that enhances the livability of the neighbourhood.

Sincerely,
