Subject: 5b East Property

Dear City Council,

I live on Pacific Blvd. one block from the 5b east property. I plan to purchase a Yaletown smaller presale condo for investment in the area in the near future.

I am in favor of the amendment to increase the number of units from 311 to 468 as indicated in the Vancouver sun article.

I am not in favor of increasing the height of the building.

Regards,

Michael Buchan

Subject: 5b east ammendment

Dear Mr. Mayor and City Council,

My partner and I would like to support the amendment to the 5b east (68 Smithe Street) increase in density. We currently rent in the Aquarius 2 tower (189 Aquarius Mews) in Yaletown and plan to purchase our first home in a few years in this area.

We both work downtown and can only afford to purchase a smaller apartment and are very interested in the project.

Thank you

Attention Mayor and Council,

With regards to Agenda Item #7 Rezoning of 5B East I would like to express my opinion. I walk by this area all the time. It would be great to see the area completed and not a construction lot.

Kind Regards,

Krystal

Subject: Amendments to the False Creek North Official Development Plan concerning Area 5b East (68 Smithe Street)

Dear Mayor,

I am writing this email to express my support of the proposed amendment to the false creek north official development plan concerning area 5B East.

It is my understanding that Concord Pacific is looking to increase the number of residential units from 311 to 468. I do indeed support the vision of smaller more affordable market units. I live in the area, and both my wife and I own properties around the development. I strongly feel that these types of developments allow many forms of ownership ranging from first time home buyers, those downsizing from certain accommodations and investment as well. This type of varying forms of ownership allow for a great melting pot to occur which brings character and community to the area.

I work in area as a **REALTOR®** and I look forward to being able to see positive changes occurring with this type of project. I do hope that you and council consider the importance of allowing a development like this to occur.

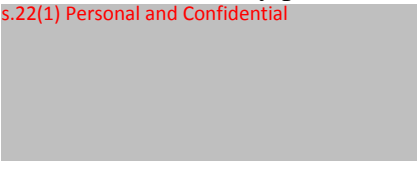

Warm regards,

--

Hello There,

I currently rent in the neighbourhood but want my first place downtown. I think more units will give me better shot at ownership and support the amendment.

Regards,
Mauricio

Subject: FW: Letter to Mayor

Good morning Mayor and city council,

I have attached a letter with my thoughts and opinion about a False Creek development. I am in real estate as a professional and I live and work in Yaletown and take great pride in my community. I hope you take my thoughts to heart as I want to see the city I both live in and love grow and showcase.

Cory Wright

January 12th, 2013

Dear Mayor,

RE: By-law No. 6650 False Creek North Official Development Plan

I am a Yaletown resident and I take great pride in the city I live in, I wanted to share my comments on the amendment to By-law No. 6650. I am in the real estate as a profession I think it is important that we keep the site lines and views of the waterfront to showcase our beautiful city and for the residents that purchased in and around the area. I am in full support to increase density of the area but not so much to build higher buildings. We have one of the most beautiful cities in the world and I think it is important to show it off but also protect the sight lines as well.

I think it is important to approve the increase of the density of By-law No 6650 in Vancouver and I think this will improve an already great part of our city.

Thank you for taking the time to consider my thoughts and opinion as a Yaletwon resident

Cory William Wright
