Would you please tell me the number of parking places currently in the towers, and
The number of parking places which it is proposed to add.

I realize that this information is available at /rezapps, but it's a hundred here and a hundred there, and the print is so tiny on my laptop that it takes a 3" magnifying glass to read it.

Why the City's requirements for devapps and rezapps do not require a statement right up front how many parking places are proposed,
is one of life's greatest mysteries.

merci a l'avance

Frank Jameson

Subject: February 5th Public Meeting

Hello,

Why is the Special General meeting Tuesday 05 Feb @ 6:30pm at Coal Harbour Community Centre and the Beach Towers Public Hearing the same night? At this very important meeting the resolution to amend WECCA's constitution and bylaws will be presented.

West End residents who want to attend the Public Hearing can't be in two places at the same time!

Is it my imagination or is Vision Vancouver working against the interest of the West End as a community?

Kind regards,

Diana
