Subject: Rezoning Application for 633 Main Street

We strongly oppose this rezoning application, as it would change the historic nature of the Chinatown area. The other negative impacts would be:

- 1) Increased density in an already over crowded area.
- 2) Destruction of the heritage nature of this historic neighbourhood.

If the city wants to increase social housing, it should focus it's attention on redevelopment of East Hastings Street corridor between Carall Street and Glen Drive.

Best regards,
