Thank you for your comments.

All public comments submitted for the public hearing that are received not more than 15 minutes after the close of the speakers list for that public hearing will be distributed to members of Council for their consideration. The public comments must include the name of the writer.

In addition, these public comments will also be posted on the City's website ([http://vancouver.ca/ctyclerk/councilmeetings/meeting\\_schedule.cfm](http://vancouver.ca/ctyclerk/councilmeetings/meeting_schedule.cfm)).

Please note that your contact information will be removed from the comments, with the exception of the writer's name. Comments received after the start of the public hearing should not exceed 1500 words.

Public comments submitted for the public hearing that are received more than 15 minutes after the close of the speakers list, will not be distributed until after Council has made a decision regarding the public hearing application and the related bylaw is enacted, if applicable.

For more information regarding Public Hearings, please visit [vancouver.ca/publichearings](http://vancouver.ca/publichearings).

Thank you.

Subject: Vancouver Cohousing Proposal in Kensington-Cedar Cottage

To the Mayor of Vancouver and City Council

I am writing to support the proposed Vancouver Cohousing development in the Kensington-Cedar Cottage neighbourhood at 1729, 1733 and 1735 East 33rd Avenue.

I am concerned about affordable housing in Vancouver, and this project is one of the answers to affordability and isolation in Vancouver. It offers a strong starting point for people who earn between \$21,500 and \$86,500 per year - a key target for the Mayor's Task Force on Housing Affordability.

I am excited about the project's affordability, sustainability, its diversity of units, and its community building nature. These are all important contributions to Vancouver's vibrant urban life.

The proposal is being put forward by people who want to create a supportive community in the neighbourhood.

I ask that the Mayor and Council give this project all the support they can to ensure this project is approved for rezoning.

Thank you for your comments.

All public comments submitted for the public hearing that are received not more than 15 minutes after the close of the speakers list for that public hearing will be distributed to members of Council for their consideration. The public comments must include the name of the writer.

In addition, these public comments will also be posted on the City's website ([http://vancouver.ca/ctyclerk/councilmeetings/meeting\\_schedule.cfm](http://vancouver.ca/ctyclerk/councilmeetings/meeting_schedule.cfm)).

Please note that your contact information will be removed from the comments, with the exception of the writer's name. Comments received after the start of the public hearing should not exceed 1500 words.

Public comments submitted for the public hearing that are received more than 15 minutes after the close of the speakers list, will not be distributed until after Council has made a decision regarding the public hearing application and the related bylaw is enacted, if applicable.

For more information regarding Public Hearings, please visit [vancouver.ca/publichearings](http://vancouver.ca/publichearings).

Thank you.

Subject: Vancouver Cohousing Proposal in Kensington-Cedar Cottage

To the Mayor of Vancouver and City Council

I am writing to support the proposed Vancouver Cohousing development in the Kensington-Cedar Cottage neighbourhood at 1729, 1733 and 1735 East 33rd Avenue.

I am concerned about affordable housing in Vancouver, and this project is one of the answers to affordability and isolation in Vancouver. It offers a strong starting point for people who earn between \$21,500 and \$86,500 per year - a key target for the Mayor's Task Force on Housing Affordability.

I am excited about the project's affordability, sustainability, its diversity of units, and its community building nature. These are all important contributions to Vancouver's vibrant urban life.

The proposal is being put forward by people who want to create a supportive community in the neighbourhood.

I ask that the Mayor and Council give this project all the support they can to ensure this project is approved for rezoning.

To the Mayor of Vancouver and City Council

I am writing to support the proposed Vancouver Cohousing development in the Kensington-Cedar Cottage neighbourhood at 1729, 1733 and 1735 East 33rd Avenue. This is a wonderfully innovative idea for affordable housing and I hope that the proposed project is the first of many in Vancouver and the Lower Mainland.

I am concerned about affordable housing in Vancouver, and this project is one of the answers to affordability and isolation in Vancouver. It offers a strong starting point for people who earn between \$21,500 and \$86,500 per year - a key target for the Mayor's Task Force on Housing Affordability.

I am excited about the project's affordability, sustainability, its diversity of units, and its community building nature. These are all important contributions to Vancouver's vibrant urban life.

The proposal is being put forward by people who want to create a supportive community in the neighbourhood.

I urge you to give this project all the support possible to ensure it is approved for rezoning.

Subject: Vancouver Cohousing Proposal in Kensington-Cedar Cottage

To the Mayor of Vancouver and City Council

I am writing to support the proposed Vancouver Cohousing development in the Kensington-Cedar Cottage neighbourhood at 1729, 1733 and 1735 East 33rd Avenue.

I am concerned about affordable housing in Vancouver, and this project is one of the answers to affordability and isolation in Vancouver. It offers a strong starting point for people who earn between \$21,500 and \$86,500 per year - a key target for the Mayor's Task Force on Housing Affordability.

I am excited about the project's affordability, sustainability, its diversity of units, and its community building nature. These are all important contributions to Vancouver's vibrant urban life.

The proposal is being put forward by people who want to create a supportive community in the neighbourhood.

I ask that the Mayor and Council give this project all the support they can to ensure this project is approved for rezoning.

Subject: Vancouver Cohousing Proposal in Kensington-Cedar Cottage

To the Mayor of Vancouver and City Council

I am writing to support the proposed Vancouver Cohousing development in the Kensington-Cedar Cottage neighbourhood at 1729, 1733 and 1735 East 33rd Avenue.

This is a great location for a Cohousing development. A few of my friends live in that area, I know that it is a beautiful quiet family oriented neighbourhood. Affordable housing in Vancouver is a concern to many, and I believe this project holds one of the answers to affordability and isolation in Vancouver. It offers a strong starting point for people who earn between \$21,500 and \$86,500 per year - a key target for the Mayor's Task Force on Housing Affordability.

I think the project's affordability, sustainability, its diversity of units, and its community building nature is something everyone could be excited about.

The proposal is being put forward by people who want to create a supportive community in the neighbourhood.

I hope that the Mayor and Council give this project all the support they can to ensure this project is approved for rezoning.

Thank you for your comments.

All public comments submitted for the public hearing that are received not more than 15 minutes after the close of the speakers list for that public hearing will be distributed to members of Council for their consideration. The public comments must include the name of the writer.

In addition, these public comments will also be posted on the City's website ([http://vancouver.ca/ctyclerk/councilmeetings/meeting\\_schedule.cfm](http://vancouver.ca/ctyclerk/councilmeetings/meeting_schedule.cfm)).

Please note that your contact information will be removed from the comments, with the exception of the writer's name. Comments received after the start of the public hearing should not exceed 1500 words.

Public comments submitted for the public hearing that are received more than 15 minutes after the close of the speakers list, will not be distributed until after Council has made a decision regarding the public hearing application and the related bylaw is enacted, if applicable.

For more information regarding Public Hearings, please visit [vancouver.ca/publichearings](http://vancouver.ca/publichearings).

Thank you.

Subject: Vancouver Cohousing Proposal in Kensington-Cedar Cottage

To the Mayor of Vancouver and City Council

I am writing to support the proposed Vancouver Cohousing development in the Kensington-Cedar Cottage neighbourhood at 1729, 1733 and 1735 East 33rd Avenue.

I am concerned about affordable housing in Vancouver, and this project is one of the answers to affordability and isolation in Vancouver. It offers a strong starting point for people who earn between \$21,500 and \$86,500 per year - a key target for the Mayor's Task Force on Housing Affordability.

I am excited about the project's affordability, sustainability, its diversity of units, and its community building nature. These are all important contributions to Vancouver's vibrant urban life.

The proposal is being put forward by people who want to create a supportive community in the neighbourhood.

I ask that the Mayor and Council give this project all the support they can to ensure this project is approved for rezoning.

Subject: Vancouver Cohousing Proposal in Kensington-Cedar Cottage

To the Mayor of Vancouver and City Council

I am writing to support the proposed Vancouver Cohousing development in the Kensington-Cedar Cottage neighbourhood at 1729, 1733 and 1735 East 33rd Avenue.

I am concerned about affordable housing in Vancouver, and this project is one of the answers to affordability and isolation in Vancouver. It offers a strong starting point for people who earn between \$21,500 and \$86,500 per year - a key target for the Mayor's Task Force on Housing Affordability.

I am excited about the project's affordability, sustainability, its diversity of units, and its community building nature. These are all important contributions to Vancouver's vibrant urban life.

The proposal is being put forward by people who want to create a supportive community in the neighbourhood.

I ask that the Mayor and Council give this project all the support they can to ensure this project is approved for rezoning.

All public comments submitted for the public hearing that are received not more than 15 minutes after the close of the speakers list for that public hearing will be distributed to members of Council for their consideration. The public comments must include the name of the writer.

In addition, these public comments will also be posted on the City's website ([http://vancouver.ca/ctyclerk/councilmeetings/meeting\\_schedule.cfm](http://vancouver.ca/ctyclerk/councilmeetings/meeting_schedule.cfm)).

Please note that your contact information will be removed from the comments, with the exception of the writer's name. Comments received after the start of the public hearing should not exceed 1500 words.

Public comments submitted for the public hearing that are received more than 15 minutes after the close of the speakers list, will not be distributed until after Council has made a decision regarding the public hearing application and the related bylaw is enacted, if applicable.

For more information regarding Public Hearings, please visit [vancouver.ca/publichearings](http://vancouver.ca/publichearings).

Thank you.

**Subject:** Vancouver Cohousing Proposal in Kensington-Cedar Cottage

To the Mayor of Vancouver and City Council

I am writing to support the proposed Vancouver Cohousing development in the Kensington-Cedar Cottage neighbourhood at 1729, 1733 and 1735 East 33rd Avenue.

I am concerned about affordable housing in Vancouver, and this project is one of the answers to affordability and isolation in Vancouver. It offers a strong starting point for people who earn between \$21,500 and \$86,500 per year - a key target for the Mayor's Task Force on Housing Affordability.

I am excited about the project's affordability, sustainability, its diversity of units, and its community building nature. These are all important contributions to Vancouver's vibrant urban life.

The proposal is being put forward by people who want to create a supportive community in the neighbourhood.

I ask that the Mayor and Council give this project all the support they can to ensure this project is approved for rezoning.
