**Subject:** Vancouver Cohousing Proposal in Kensington-Cedar Cottage

To the Mayor of Vancouver and City Council

I am writing to support the proposed Vancouver Cohousing development in the Kensington-Cedar Cottage neighbourhood at 1729, 1733 and 1735 East 33rd Avenue.

I am concerned about affordable housing in Vancouver, and this project is one of the answers to affordability and isolation in Vancouver. It offers a strong starting point for people who earn between \$21,500 and \$86,500 per year - a key target for the Mayor's Task Force on Housing Affordability.

I am excited about the project's affordability, sustainability, its diversity of units, and its community building nature. These are all important contributions to Vancouver's vibrant urban life.

The proposal is being put forward by people who want to create a supportive community in the neighbourhood.

I ask that the Mayor and Council give this project all the support they can to ensure this project is approved for rezoning.
