To whom it may concern:

**Re: CD-1 Rezoning: 6361-6385 Cambie Street**

As the developers of Marine Gateway, we wish to offer our support to this proposed Rezoning and Development located within the Cambie Corridor plan which will support the development of a true neighbourhood along the Cambie Corridor.

We believe the project is consistent with the City's vision for development within the Cambie Corridor and the increased density within the corridor area is necessary to support the retail and entertainment aspects of Marine Gateway.

Additionally, by providing opportunities for people to live in a connected neighbourhood, where residents can walk and ride on a fast and effective transit system, benefits both the community and the City of Vancouver as a whole.

Sincerely,

PCI DEVELOPMENTS CORP

Re : 6361 – 6385 Cambie Street

Dear Mayor and Council:

We are the developers of the site at 6301 Cambie Street, immediately to the north of the re-zoning proposal in front of you.

I am writing to support the re-zoning proposal at 6361 Cambie Street. We feel that the development and design team has created a project that nicely complements our own project.

Yours truly,
