The image shows the exterior of the Sea Star Children's Centre. The building features a prominent red brick facade. The name "Sea Star Children's Centre" is mounted on the wall in large, white, three-dimensional letters. Several rectangular light fixtures are attached to the brickwork. In the foreground, there is a metal gate with a curved top and a mesh screen. To the left, a wooden structure with a gabled roof is visible. In the background, a modern multi-story residential building can be seen under a clear blue sky.
